CURRENT FOCUS

Goal Setting - 56P

Setting goals is an important skill to learn not only for school, but also in life.

Goals give us something to work towards and they help decide the steps we need to take.

It is important that your goals are realistic, achievable, and not too easy.

You can set goals to achieve almost anything and by working hard you can make them come true.

Make sure you check in on your progress, make changes, and celebrate when you achieve a goal.

PRINCIPAL’S REPORT

- P-4 Expo and Incursion
- Parent Opinion Survey
- X-Country – State Finals
- Cultural Awards
- Parent-Teacher-Student Interviews

Last Thursday and Friday, the P-2 students were involved in a Toy Expo and Puppet Incursion as part of their Integrated Unit. The creativity on display through the toy projects and the enthusiasm of the students was wonderful to see. All Prep, One and Two students should feel very proud of their achievements.

We welcome Mr Francis Comber back into our school for the remainder of the year as teacher of 5/6S. Mr Comber is replacing Sarah Bourke who is heading off on family leave. We wish Sarah and her husband all the best for this wonderful time in their lives. We look forward to hearing all about parenthood, and we know that 5/6S is in good hands with Francis.

Last week, some families will have received a sealed envelope with the Parent Opinion Survey enclosed. This is an anonymous survey given to a computer-generated sample of families. If you received this survey, I ask you to take the time to complete this and return it ASAP. This is very valuable information that we take very seriously. We always welcome feedback and an opportunity to improve our school.

At assembly this week we celebrated the achievements of James (53rd out of 83), Charlotte (27th out of 85) and Sebastian (1st out of 15) who ran in the Cross-Country State Finals in Bundoora last week. These children have trained hard over the past few months and did themselves and our school very proud. In particular, Sebastian has qualified for the national event in Canberra – an outstanding achievement. A timely reminder to us all of what setting and working hard towards goals can help us achieve.

Congratulations must also go to the sixteen Year 3-6 students who received Semester 1 Cultural Awards this week. These children were recognised for their commitment to the areas of Choir, Performing Arts, Visual Arts and LOTE (Italian). They have displayed an ongoing effort ‘above and beyond’ and again, should feel very proud of their work ethic and achievement thus far in these areas. See the attached list of recipients for each area and year level.

Finally, thank you to those parents and students who attended the parent-teacher-student interviews on Wednesday; an invaluable opportunity to discuss with your child and their teachers progress to date and their goals for the future. It has been so good to hear the students articulate their goals and strategies for achieving them.

Reminder: Breakfast Program in the Gym, 8:30 Monday 25th for ALL students

If you have any spare shoebox lids, can they please be given to Signora Trudi. We want to make these games in our Family group. Thank you!
“HEALTHY LUNCHBOX TIPS”

For a healthy lunchbox always include a bottle of water. No need for sweetened drinks such as juice, cordial or soft drink as these contain too much sugar which is not good for teeth. Non-water drinkers usually start drinking water with the example of other children.

Dr Nicola Pirh and Associate Professor Etica Friedanberg developed ‘Success and Dyslexia’ a resilience program for primary aged students with dyslexia. This is a unique, evidence based program that assists all children between 9-14 years old, but especially those with dyslexia, focusing on adaptive coping skills as a powerful determinant of life success.
