- P-4 Concert
- Winter Raffle
- School Reports
- Staffing arrangements for term 3
- Happy Holidays

Congratulations to the whole school community on an excellent semester. A strong partnership between, home, school, teachers and students is vitally important to bring about positive outcomes for children. I believe we are achieving this at Daylesford Primary School and Annexes.

There have been so many highlights this term and they just keep coming. Congratulations to all the students who successfully exhibited their Local Landscapes at the National Art Gallery in Melbourne last Saturday. Well done to Nicole for enabling the children this opportunity. Thank you to parents and friends who supported the children.

A further highlight to finish the term was of course our P-4 concert, which was held at the Town Hall on Tuesday night. Katie Yeung and Suzanne Hobson have teamed together extremely well to bring about an amazing night. The variety and quality of performances was a sight to behold. Congratulations to Katie, Suzanne and ALL the P-4 children. Thank you to Greg Strawhorn & Jen Bray for their assistance to Suzanne & Katie and also to the parents who assisted behind the scenes. A terrific team effort!

Our Winter Raffle was drawn at assembly. Congratulations to the winners. A total of over $1700 was raised which is marvellous. Thank you everyone for supporting the raffle. The money will go towards the Grade 6 dinner, new chairs and new table in the grade 6 rooms. Well done to the grade 6 committee who organised the raffle and a HUGE thank you to Sam Doidge and Liz Wyatt for all their extra work.

The semester reports were issued this week. The staff have worked very hard on your child’s report. You will note a number of changes and we have invited you to give us some feedback surrounding these changes. I know you will take the time to sit down with your child/ren and discuss the report. There are a number of elements to the report, so take your time, celebrating the successes along the way. Also help your child by asking them what areas of learning they believe they can focus on in term three. This should be very specific and will assist the children to develop their learning and social goals which they will present to you at the student/parent/teacher interviews in week two of next term.

As you know I am taking leave throughout term 3. During my absence Mr Garner will be acting Principal and Ms McHugh will be acting Assistant Principal. Amy Kinnear will be teaching Grade 4M.

Further staffing changes involve Ms Blick being covered by Mathew Spaccatore for the first week of term 3. Carol will also be on leave for the first four weeks of the term, she will be covered by Brenda Fry. Mrs Bourke will commence her Family Leave in week 3 and Francis Comber will be teaching 56S for the remainder of the year.

Kathy Watt will be on leave in weeks 3 & 4, Mathew Spaccatore will be teaching 1W during that time.

Finally Mrs Wrigley is taking some leave from week 5 and again Mathew Spaccatore will be teaching Prep W for the remainder of term 3.

Have a great holiday everyone and look forward to a number of exciting opportunities in term 3.

Peter Burke.

Current Focus: “Honesty and Trust”
The school community may be aware of the considerable work occurring at the moment to create a healthy food culture at Daylesford Primary School. A policy and action plan are currently in development thanks to a dedicated group of parents working closely with the school. We have also been lucky enough to secure a project worker, Rheannon Owen, to work with the school. Rheannon is a Health Promotion Officer with Hepburn Community Health, and brings great energy and insight into this project with us. One of the actions is to provide examples of healthy food tips. In this newsletter we start to provide these and hope they will assist many of you with ideas for a healthy diet and especially for healthy school lunches.
