Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:
- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

Term 2 2016 No. 11 Friday, 29th April, 2016.
Current Focus: “Good organisation (Responsible learner)”
It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc. raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

PREMIERS’ READING CHALLENGE 2016
The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition, but a personal challenge for children to read a set number of books by 9 September 2016.

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll by returning the PRC permission form.

To read the Premier’s letter to parents, view the booklists and for more information about the Victorian Premiers’ Reading Challenge, visit: www.education.vic.gov.au/prc

Late Arrival and Early Departure
Students being dropped off late to school must be signed in at the office under parent supervision. We ask that parents accompany their child to class to ensure constant supervision. In the case of early departure from school a reminder that a blue early departure form must be collected and completed at the office. This must then be taken and given to your child’s teacher before they can release the child from their care. No student will be released early without receipt of the blue slip.

Italian Exchange Students and Host Families
Italian Exchange Students, both girls and boys aged 15-17, hope to be coming here this July for 3, 5 or 10 months to study, improve their English skills and learn about Australia and a host family. If you and your family feel you would like to host an Italian student during their stay here or even part of it, being able to choose the gender and interests of the student you feel would best suit your family, and perhaps making a friend for life, by having an extra person at meal times and providing a spare bed, please contact Klaus Schummann, their coordinator, on 03 97584279 or by email, klaus.schumann@hotmail.com to let me know of your interest. There is no payment involved. There are other nationalities also available if you would prefer. Hoping to hear from you.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

FINANCIAL ASSISTANCE – INFORMATION FOR PARENTS

IF YOU HAVE A VALID MEANS-TESTED CONCESSION CARD.... Then you may be eligible to apply for the CSEF (CAMPS, SPORTS & EXCURSION FUND)

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc. raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

FREE DRESS DAY – Fri 22nd April, to aid FIJIAN CYCLONE RECOVERY FUND.... Thankyou to all who helped raise $267.

Good organisational skills are important in our lives. These
skills assist us greatly with setting goals and time
management when we plan for our learning at school and
other aspects of our daily life.

Being organised assists us with our daily routines at home
and at school. Good organisation allows us to manage our
time more effectively. We can plan to get things done and
work other things around our commitments. Good
organisation helps us and others around us to plan and get
things completed. Schoolwork, sports practice, music
commitments, jobs around home, etc can be better
managed through the use of schedules/timetables,
marking things on the calendar or in a diary. This way we
can ensure that things get done!

Some good organisational skills may include:

• Getting things completed on time
• Planning for particular events
• Allowing enough time to complete things
• Setting goals for yourself (short term/long term)
• Knowing where to find things and keeping things
  in an orderly manner( school locker, bag, room,
  personal belongings)
• Prioritising things that need to be done at
  home/school/recreation activities)
• Keeping to a time schedule and being prepared for
  upcoming events or work commitments

Good organisation assists all of us with our daily routines:
we plan for things, manage routines, keep commitments,
complete things on a daily basis and achieve balance in our
life.

GRADE 6 CELEBRATION
MEETING - WEDS 4th MAY
Meeting Room 9.00am

Term 2 2016  No. 11  Friday, 29th April, 2016.

Current Focus: “Good organisation (Responsible learner)"
It was with great pleasure that I was able to present our "Discovering Daylesford State School ANZACs" Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting "The Ode of Remembrance" and our senior choir sang so beautifully 'Dona Nobis Pacem' a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

FINANCIAL ASSISTANCE – INFORMATION FOR PARENTS

IF YOU HAVE A VALID MEANS-TESTED CONCESSION CARD….. Then you may be eligible to apply for the CSEF (CAMPS, SPORTS & EXCURSION FUND)
Please contact the front office for an application form (or download from the CSEF website www.education.vic.gov.au/csef) to be returned to the office as soon as possible.
It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

• Getting things completed on time
• Planning for particular events
• Allowing enough time to complete things
• Setting goals for yourself (short term/long term)
• Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
• Prioritising things that need to be done at home/school/recreation activities
• Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

Parent Newsletter Report – Term 2 Week 3

- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

PREMIERS’ READING CHALLENGE 2016

The Challenge is open to all Victorian children from
birth to Year 10 in recognition of the importance of
reading for literacy development. It is not a
competition, but a personal challenge for children to
read a set number of books by 9 September 2016.

Children from Prep to Year 2 are encouraged to read
or ‘experience’ 30 books with their parents and
teachers. Children from Year 3 to Year 10 are
challenged to read 15 books.

All children who meet the Challenge will receive a
certificate of achievement signed by the Victorian
Premier and can choose to have their name included
on the online Honour Roll by returning the PRC
permission form.

To read the Premier’s letter to parents, view the
booklists and for more information about the Victorian
Premiers’ Reading Challenge, visit:
www.education.vic.gov.au/prc

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Prep Uniform Support

As part of the Victorian Government Affordable Uniform Program, every Prep school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform voucher. You need to have applied and have qualified for CSEF to be eligible. The DPS Office will make the application on behalf of Parents/Careers. Once approved the school will provide the parent with the voucher to present at the uniform retailer (Double C Jeanery). Eligible parents who have already purchased their child’s uniform this year can select items of a larger size from the retailer. Please contact the office for more details.

Term 2 2016  No. 11  Friday, 29th April, 2016.  Current Focus: “Good organisation (Responsible learner)”
It was with great pleasure that I was able to present our "Discovering Daylesford State School ANZACs' Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting "The Ode of Remembrance" and our senior choir sang so beautifully 'Dona Nobis Pacem' a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

GRADE 6 CELEBRATION MEETING - WEDS 4th MAY
Meeting Room 9.00am
Parent Newsletter Report – Term 2 Week 3

- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

PREMIERS’ READING CHALLENGE 2016

The Challenge is open to all Victorian children from
birth to Year 10 in recognition of the importance of
reading for literacy development. It is not a
competition, but a personal challenge for children to
read a set number of books by 9 September 2016.

Children from Prep to Year 2 are encouraged to read
or ‘experience’ 30 books with their parents and
teachers. Children from Year 3 to Year 10 are
challenged to read 15 books.

All children who meet the Challenge will receive a
certificate of achievement signed by the Victorian
Premier and can choose to have their name included
on the online Honour Roll by returning the PRC
permission form.

To read the Premier’s letter to parents, view the
booklists and for more information about the Victorian
Premiers’ Reading Challenge, visit:
www.education.vic.gov.au/prc

Late Arrival and Early Departure

Students being dropped off late to school must be signed in at
the office under parent supervision. We ask that
parents accompany their child to class to ensure
constant supervision. In the case of early departure from
school a reminder that a blue early departure form must be
collected and completed at the office. This must then be taken
and given to your child’s teacher before they can release the
child from their care. No student will be released early without
receipt of the blue slip.

Italina Exchange Students and Host
Families

Italian Exchange Students, both girls and boys aged
15-17, hope to be coming here this July for 3, 5 or 10
months to study, improve their English skills and learn
about Australia and a host family. If you and your
family feel you would like to host an Italian student
during their stay here or even part of it, being able to
choose the gender and interests of the student you
feel would best suit your family, and perhaps making a
friend for life, by having an extra person at meal times
and providing a spare bed, please contact Klaus
Schumann, their coordinator, on 03 97584279 or by
e-mail, klaus.schumann@hotmail.com to let me
know of your interest. There is no payment involved.
There are other nationalities also available if you
would prefer. Hoping to hear from you.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

PRINCIPAL’S REPORT

Parent Newsletter Report – Term 2 Week 3
- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc. raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

PRINCIPAL’S REPORT

Parent Newsletter Report – Term 2 Week 3

• ANZAC Day assembly
• Goldfields Athletics
• Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

FREE DRESS DAY – Fri 22nd April, to aid FIJIAN CYCLONE RECOVERY FUND....

PRINCIPAL’S REPORT

Parent Newsletter Report – Term 2 Week 3
• ANZAC Day assembly
• Goldfields Athletics
• Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc. raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

**Good Organisation**

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed.

Some good organisational skills may include:
- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

Parent Newsletter Report – Term 2 Week 3

- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our "Discovering Daylesford State School ANZACs' Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting "The Ode of Remembrance" and our senior choir sang so beautifully 'Dona Nobis Pacem' a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. **CURRENT FOCUS**

**Good Organisation**

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:
- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

**GRADE 6 CELEBRATION MEETING - WEDS 4th MAY**

Meeting Room 9.00am

**WEB:**
It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

Parent Newsletter Report – Term 2 Week 3

- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc. raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

**GRADE 6 CELEBRATION MEETING - WEDS 4th MAY**

Meeting Room 9.00am

**CURRENT FOCUS**

**Good Organisation**

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/Recreation activities)
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

**FINANCIAL ASSISTANCE – INFORMATION FOR PARENTS**

**IF YOU HAVE A VALID MEANS-TESTED CONCESSION CARD…** Then you may be eligible to apply for the CSEF (Camps, Sports & Excursion Fund)

Please contact the front office for an application form (or download from the CSEF website www.education.vic.gov.au/csef) to be returned to the office as soon as possible.
It was with great pleasure that I was able to present our "Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting "The Ode of Remembrance" and our senior choir sang so beautifully 'Dona Nobis Pacem' a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned. Peter Burke.

CURRENT FOCUS

Good Organisation

Good organisational skills are important in our lives. These skills assist us greatly with setting goals and time management when we plan for our learning at school and other aspects of our daily life.

Being organised assists us with our daily routines at home and at school. Good organisation allows us to manage our time more effectively. We can plan to get things done and work other things around our commitments. Good organisation helps us and others around us to plan and get things completed. Schoolwork, sports practice, music commitments, jobs around home, etc can be better managed through the use of schedules/timetables, marking things on the calendar or in a diary. This way we can ensure that things get done!

Some good organisational skills may include:

- Getting things completed on time
- Planning for particular events
- Allowing enough time to complete things
- Setting goals for yourself (short term/long term)
- Knowing where to find things and keeping things in an orderly manner (school locker, bag, room, personal belongings)
- Prioritising things that need to be done at home/school/recreation activities
- Keeping to a time schedule and being prepared for upcoming events or work commitments

Good organisation assists all of us with our daily routines: we plan for things, manage routines, keep commitments, complete things on a daily basis and achieve balance in our life.

PRINCIPAL’S REPORT

Parent Newsletter Report – Term 2 Week 3

- ANZAC Day assembly
- Goldfields Athletics
- Parent payments

It was with great pleasure that I was able to present our “Discovering Daylesford State School ANZACs’ Book to the RSL President Mr Neil Chamberlain, at our special ANZAC assembly on Tuesday. The school can be very proud of their achievements in compiling this book, which now gives us an amazing insight into the WW1 Honour Board that sits in our front foyer.

Also at our special assembly, Beau Henderson of Grade 2 did a terrific job in reciting “The Ode of Remembrance” and our senior choir sang so beautifully ‘Dona Nobis Pacem’ a Song of Peace. The ANZAC writing that the grade 5 & 6 students completed was handed over to the RSL President, who will judge the writing. Winners will be announced at a later date. A wonderful response from our school community to the sale of ANZAC Day badges, etc raising $327.10, well done to all involved.

The Goldfields Athletics team was selected from our House Athletic sports and competed at Llanberris in Ballarat on Thursday. This 60 student strong team is a very good team and we wished them all the best for Thursday. We will have a full report next week. The High Jump competition that was conducted at school during lunchtimes last week, gave the whole school a look at the students competing and the talent that is in the school. The competitions were very close and the students were trying very hard to perform at their best. I was particularly impressed with support the competitors received from the other students who were watching the competition.

Finally, I would like to remind a number of parents who have outstanding class material and/or KG levies, that this payment is overdue. The school cannot carry the outstanding debt of $28,640 for class materials or the $4090 outstanding in the KG Program for semester one. Can parents please action on this immediately or ring Deborah Cowen our Business Manager to arrange a payment plan. Further to this with a number of excursions coming up in the near future eg the Grade 5/6 excursion to Ballarat next week, may I remind parents of the importance of finalising payment before the excursion or your child will not be allowed to attend the excursion.

Just for your information we have been notified this week that we have one case of chicken pox and one case of School Sores (Impetigo) diagnosed. Letters have been sent home only to parents of students in the grades concerned.

Peter Burke.

FREE DRESS DAY – Fri 22nd April, to aid FIJIAN CYCLONE RECOVERY FUND….
