Current Focus

Integrity – Honesty and Trustworthy

Being honest and following your principles

We can be regarded as a person who has integrity through what we do and say. Our integrity can be clearly seen by our conduct, how we work and how we interact with other people both at school and at home. Some of the qualities that people demonstrate when they have integrity:

- Honesty
- Being fair
- Keeping your commitments
- Accept responsibility for actions
- Being trustworthy
- Showing respect

Being a person of integrity is something we all want to be. These qualities will be evident in our play, when we are working with others in class, at home and when we are involved in our wider community. Some people say that integrity means: 'who you are when no-one is watching!'

Debating Results – South Street

Our team consisting of Charli, Max and Indigo (emergencies Gabe and Taj) were successful in their debating in the South St semi-final today in Ballarat.

Their topic was that the school day is too short. They were the affirmative. The team debated so confidently, rebutting every point presented by their opposition.

They will now debate in the grand final next Monday. We are so proud of their efforts in preparing and in representing our school. We wish them all the best for the grand final.

Go Girl, IT Day.

By Freya and Kiah 6P

Last Thursday all grade 5 & 6 girls got the opportunity to go to Deakin University in Melbourne.

The day was about inspiring all girls to choose a career in IT. Throughout the day, there were many different experiences such as: listening about inspiring stories of girls who have a job in IT.

Some highlights of the day were: Listening to a woman called Ally from Code Like a Girl. Another woman called Sarah from Dream life. They both told their story about how they got interested in IT.

We also learnt about coding, Brain storming fun ideas and the best part was getting lots of free things eg: notebooks, fairy floss, pens, stickers, lollies and much more.

Over all the day was interesting, exciting and very fun!!
