Term 3: 16 July to 21 September

Absences/Must notify the school

If our child is absent from school please ring the school office

ASAP on 53482480 on or before the day

Late Arrival and Early Departure

Students being dropped off late to school must be signed in at the office under parent supervision. We ask that parents accompany their child to class to ensure constant supervision.

In the case of early departure from school a reminder that a blue early departure form must be collected and completed at the office. This must then be taken and given to your child's teacher before they can release the child from their care. No student will be released early without receipt of the blue slip.

Lateness = Lost Learning

(figures below are calculated over a school year)

5 minutes late each day = 3 days lost!

10 minutes late each day = 6 days lost!

15 minutes late each day = 9 days lost!

20 minutes late each day = 12 days lost!

PRINCIPAL'S REPORT

FOUNDATION STUDENTS

A huge congratulations to our Foundation students who have successfully completed their first term at Daylesford, Drummond and Yandoit Primary Schools. It is an absolute pleasure to witness their journey, establishing routines and developing their confidence in both themselves and others. Well done to all and we look forward to having all our Foundation students attending every day next term.

CROSS COUNTRY AT JUBILEE LAKE

Our Cross Country event for our Years 3 to 6 will be held at Jubilee Lake tomorrow. We wish all participants good luck. We will celebrate at a future assembly and in our first newsletter in Term 2.

THANK YOU

I would like to thank and congratulate all community participants, especially our wonderful students, staff and parents, for your support as we try very hard to make Daylesford, Drummond and Yandoit Primary Schools active and engaging places to learn. Consistently I witness children supporting each other and assisting teachers, which is a credit to them and their parents!

HEALTHY TIPS

Flossing in between your teeth removes food debris and plaque from in between the teeth that a toothbrush can't reach. The 5 steps below show you how to correctly floss your teeth:

- Everyone should floss, including children. Flossing should begin as soon as two teeth are touching. It should be done at least once a day.
- Use enough floss so that you can wrap it around your middle fingers. Use your thumbs and index fingers to guide the floss.
- Gently ease the floss between two teeth and form a 'C' shape against the surface of one tooth.
- Pull the floss so that it is tight around the tooth and gently guide it up and down from the chewing surface to under the gum. Repeat for each side on all teeth. Don't forget to floss the back of your last teeth.
- Samples of floss products available from supermarkets and pharmacies.
