### KITCHEN GARDEN

Our Friday classes are short of volunteers and would welcome any parents from across the school who would like to be involved. You don't need to be an expert cook or gardener, we are all learning together. Please note that a Working With Children Check is required before you can work with classes. The check is free and available online. Please contact Gill Carron or Sandra Evans at the school if you can help.

## PRINCIPAL'S REPORT

### EMERGENCY MANAGEMENT

As required, we as a school, undertake Emergency Management evacuation drills and lockdowns. These are practised consistently as obviously we need to ensure our processes are appropriate. Of course, we hope that circumstances do not arise when the evacuation is not a drill but is required.

On Wednesday, we had a sewerage leak near the art room that certainly smelled similar to gas. As a precautionary measure, we evacuated the school students, staff and volunteers down to the oval while the circumstance was checked. All students were safe, the issue identified and we continued with lessons after about an hour. I would like to thank the children, staff and volunteers, it proved our Emergency Management drills are appropriate and timely and we have the correct strategies to ensure that safe practices of either evacuation or lockdown are undertaken. Thank you for your consideration and we will continue to provide a safe and supported school environment for all children, staff and parents. If you would like to discuss this with me, please contact me at the office.

### YEAR 3 TO 6 SWIMMING HOUSE SPORTS

Congratulations to all who competed at the swimming sports last Friday. Although chilly initially it turned out to be a warm day with all children, celebrating and cheering with gusto! Well done to our swimming champions; Taj Vandenberg and Charlotte Streat. Congratulations to all who competed in the parent, student, teacher race. The day was extremely well organised by both Andrew K. and Sherilee! Thank you also to Kara Cooper and Maree Phypers for their support during swimming lessons over the previous two weeks. We now wish our 24 students all the best, who are participating at the Eureka Combined Swimming Championships at the Ballarat Aquatic Centre today.

### BIG STEPS FOR TINY FEET FEATURE

On Wednesday, the Ballarat Courier had a special feature with pictures of all children in Foundation throughout Ballarat, Daylesford and Hepburn. It was a wonderful photo and celebration of children beginning their primary schooling.

## 2018 'House Swimming Sports' Report

Last Friday we held our annual 'House Swimming Sports' on a day, which can only be described as four seasons in one. There was a carnival like atmosphere to the event. The four house colours of red, blue, green and gold were very evident. T-shirts, banners, face paint, coloured hair and chanting the house songs, was the order of the day. A big thanks to all the students for their enthusiasm towards the day. Well done!

As for the swimming, it was great to see all the students giving their best and showing great sportsmanship towards each other. There were many smiling faces as students either completed their event or discovered they had finished in the top three places. I have to admit, when judging the backstroke and breaststroke there were many close finishes and tough decisions to call. Noodle, kickboard and 'Any Way You Can' races also produced very close finishes. We concluded the students' events with our 50m and 25m freestyle relay races.

For the second time we held our 'Teacher-Captains- Parent' relay race. There were eight teams with the 5/6 teachers taking out the race. Well done to all the parents, teachers and students who competed. I also have to make a special mention to 'Santa' who raced (Fully suited- I think) in a parent's team. Great job Santa!

Now for the results.

Congratulations to Tipperary for winning this year's event. In addition, huge congratulations must go to Taj Vandenberg and Charlotte Streat for being this year's champion swimmers.

Many thanks must go to: Students who gave their all and participated with enthusiasm. To the teachers for their support throughout the day. Sherilee for the amazing job she does organising this event. Kara Cooper (our Auswim instructor) for her assistance on the day and finally to the parents who came and supported the students and to all those who helped with the running of the day. Thank you everyone.

Finally, we all want to wish the best of luck to the twenty-four students who are competing in this weeks 'Divisional Swimming Event' on Friday. Good luck to you all!

Thanks again,  
Andrew Kiellerup.

Together - CAST**

**Cool At School Together  
(CAST) is a school program that works together with  
schools, teachers, students and their families to help  
Prep to Grade 2 children get the best start to their  
school life.**

**CAST will be in your school for term 2 and 3 and will  
run a targeted 8 week social & emotional program. A  
small group of students will be selected from prep to  
grade 2 students. CAST aims to build children's social,  
emotional, and behavioural skills in early primary  
school.**

**The team will begin by working with teachers to  
identify the individual strengths and difficulties of each  
child. Then we will begin programs to help the children  
develop their skills and also to teach them ways to  
overcome some everyday problems.**

**Parents will be invited to be involved too. The Tuning  
into Kids Parenting program will be run in term 2.  
These groups are a great way of developing your  
existing parenting skills and learning new strategies to  
assist your child.**

**If you have any questions or would like specific topics
