## PRINCIPAL'S REPORT

### BOOK FAIR

***Our major literacy fundraiser is happening this week and with literally thousands of quality second hand books for sale. We invite you all to come along and grab a bargain.***

***We are also calling out for as many volunteers as we can to assist with the smooth running over the two days. If you think you can assist we would be very appreciative as all money raised is strictly focussed on purchasing new quality books that will greatly engage your children with their reading. Please contact the office or Shelley Sandow on 0427 152 949 so that a committed timetable of support can be organised. We very much look forward to the support of all and I look forward to seeing you there.***

***The Book Fair commences this Saturday (9am – 5pm) and concludes Sunday (10am – 3pm).***

### PICK MY PROJECT VOTING

We have had an enormously positive response to our "Pick My Project" theme **Learn Robotics @ Daylesford Steam Centre**. Please consider voting for us as we enhance our plans to promote and support Robotics and Coding in our school and community. Spread the word and potentially the benefits will be enormous, enhancing and challenging students with up to date, engaging programs supportive of future student learning.

We plan to distribute flyers at the Book Fair and likewise promote the potential of our project to the community electronically via social media. As I said spread the word and you will assist us in accessing this opportunity. If you require further information please log on to the following link.

### **WORDS IN WINTER**

Congratulations to the organising committee led so ably by Maia Irell, who have organised such a wonderful community event. We, as a school, feel so fortunate to be so active and welcomed to contribute to the event, with our choirs and drama acting students performing to such critical acclaim. To have many of our students, including Lachlan, Paula, Sage, Alex, Pheobe, Myles, Sophia, Wren, Tilly and Leo being awarded prizes for their various age groups in the Words in Winter competition is a credit to them.

We have such talented and enthusiastic students in all fields, inclusive of both the visual and performing arts; and it is wonderful to have the opportunity to showcase their talents at this resoundingly successful community event. Thank you to all the organisers for your enthusiasm and thank you to our music teachers, Suzanne and Katie, for their dedication! Well done Daylesford students!

### **BOOK WEEK**

We have all had the opportunity to celebrate books during our annual Book Week celebrations. Thank you to everyone in ensuring that the vast majority of children were dressed up, reflecting their favourite book characters. We have included a photographic collage of some of our classes actively engaging in the book week celebrations. Enjoy!

### **CONGRATULATIONS NINA AT SOUTH STREET**

We always like to celebrate the success of our students and it was wonderful to hear the great news that Nina Douglas, during her first time at South Street, won the Contemporary Vocal (Pop, Rock R&B) for 10 years and under. She also achieved a 3<sup>rd</sup> placing in the Contemporary Vocal (Country Music) 10 years and under competition. Nina has a beautiful singing voice and we look forward to other opportunities to hear her perform. Congratulations Nina!

**Term 2 2018 No. 25 Friday, 31<sup>st</sup> August, 2018**

### **DEBATING WIN**

After many weeks and some 26 competing schools throughout the Ballarat and surrounding areas, our D.P.S debating team competed and WON the Royal South Street Primary School debating competition, defeating Pleasant Street Primary School. Our team consisted of Charlie Scopel, Max Robertson, Indigo Toner-McLachlan and our very capable backup members, Taj Vandenberg and Gabe Vivian were outstanding!

The topic 'Bigger Schools are Better' allowed our team to explore the affirmative position and they were confident, competent and great ambassadors for our school. The team was ably supported in the audience by parents and our other debating students.

Congratulations also to Indigo who was runner up in the overall best debater for the whole competition. Thank you to the teams, parents and a huge thank you to their teacher, Trudi Blick, who was outstanding in preparing all teams for this significant and prized opportunity.

### **NAPLAN**

You may have heard that the NAPLAN results state wide are now published and schools will receive their individual NAPLAN reports for all year 3 and 5 children this week. The plan is that as soon as we receive the individual reports we will ensure that they are passed on to the students for all parents to read. At the time of writing we as yet haven't received the NAPLAN reports but no doubt we will shortly. Thank you for your patience!

### **EYE ASSESSMENTS FOR FOUNDATION - YEAR 3 STUDENTS**

For those parents who have consented to an eye assessment for their children, the optometrists will be here again on: Monday 3<sup>rd</sup> September, Wednesday 5<sup>th</sup> September, Tuesday 18<sup>th</sup> September, and if required Thursday 20<sup>th</sup> September.

Enjoy your weekend and hopefully we will see you at the Book Fair this Saturday and Sunday.
