School Pupil free Day Long Weekend

We trust everyone had an enjoyable long weekend, inclusive of the Melbourne Cup public holiday.

Rotary Student Leadership Conference this Friday

Today our 26 student leaders, along with our respective year 5's and some 8 children from Dharma Primary School, participated in our first ever Student Leadership Conference. This program was organised by current student leaders under the guiding assistance of Daylesford Rotary and Ms McHugh. A great deal of effort and support has gone into ensuring that the Leadership conference is engaging, fun and targeted toward the leaders of tomorrow. A huge thank you to Bronwyn, Peta and Colin from Daylesford Rotary. Congratulations to all our 2018 student leaders in terms of their application and leadership messages. I'm sure our 2019 potential student leaders have had an exciting session that will support their own leadership journey next year.

Remembrance Day

Our 2018 Remembrance Day commemoration will take place today Friday the 9th of November 2018 at 10.45am adjacent to the Australian flag. At this stage, the Armistice garden will not be completed but we will officially recognise all the work Toby has done to prepare for what is a very important occasion, namely the 100th anniversary of the peace declaration (Armistice) that ended the First World War. We invite the community to attend the Daylesford Remembrance Day commemoration on Sunday the 11th November at exactly 11am at the Daylesford Cenotaph. I hope that we will see you there!

*We pay our respects to elders past, present and emerging.
We are proud to acknowledge Dja Dja Wurrung as the Traditional Owners of this Country.*

Whole School Community Folk Dance Tuesday 13th November on the School Oval – Gates open at 5pm

We are very excited to be hosting this wonderful celebration of the performing arts at our first ever community dance event to be held on our school oval from 6pm until 7.30pm. It will be a great opportunity to showcase our students talents and we very much look forward to hosting a large audience. An information/attendance note was sent home on Wednesday with students and we very much look forward to seeing you there.

Paul Bangay Open Garden Sat 17th & Sun 18th November

As a major fundraiser for the Stephanie Alexander Kitchen Garden programs throughout Victoria, our school will be hosting a stall selling the Daylesford Primary School cookbook entitled 'Grow Cook Eat'. This significant publication has not only been funded in the publication phase by Alla Wolfe Tasker from the Lake House but has also been signed by Alla. We are eternally grateful to Alla for her invaluable contribution and support of the Daylesford Kitchen garden program. We are also selling seedlings at the Paul Bangay open garden event. I believe that approximately 2500 to 3000 tickets have already been sold for this event. I would like to thank Gill Carron for her proactive coordination and likewise the volunteers who are assisting, or have assisted, to ensure Daylesford Primary School's contribution to the success of the event is outstanding. **We do require volunteers to assist Gill at the Open Garden. Please complete the volunteers slip on the front of this newsletter and return to office please.**

Enjoy your weekend

**Whole School Community Folk Dance
Tuesday 13th November
Can you please Help?**

BBQ

We are seeking some volunteers to help with cooking sausages during our Community Folk Dance (School Concert). If you can spare an hour or two on that evening, please contact the office.

Thank you
Sherilee

CAKE STALL

As most of you probably know, the School Folk dancing night is coming up and I (Jaime) will be running the cake Stall.

If you have free time please bake a cake, slice, muffin or treat of your choice and bring it to the OLC Kitchen on the afternoon of the dance or straight to the cake stall on the night of the dance.

Remember all ingredients are to be written on a piece of paper and included with the cake.

Thank You
Jaime Sandow

Activities in Class

Today was cooking day! First we discussed the vegetables used and opted to not peel most of them but rather give them a good wash and then prepare them.

It was at about this time that we realised that the gas bottle had not been moved! Thanks to Alana's Dad for coming and rescuing us by moving and connecting it (once we found the right spanner). Thanks Anthony!!

Talking about the vegies that will be used to make our Minestrone

Cooking the vegetables... Yum

We have attached our wonderful Minestrone Soup recipe so that you can replicate it at home. It was really tasty and we enjoyed the experience immensely.

Just a reminder that cooking is \$4.00 per class or a total of \$12.00 for the three sessions. The next cooking day will be Thursday the 15th of November.

All parents who help will be required to get a Working with Children card. These are free if you apply as a volunteer for the school. You can apply here <http://www.workingwithchildren.vic.gov.au/>.

A message from Meg

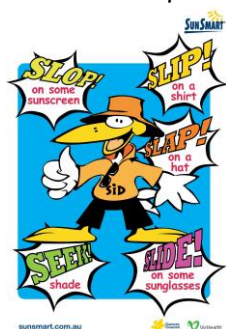

**we are respectful – we are responsible learners – we are honest and trustworthy
we are caring and compassionate – we are good citizens**

Starting our Big Write.

Hats are to be worn at all times in the playground during Terms 1 & 4

Hats can be purchased from the office for \$12

NATURE Devours ART along the Loddon....

Come explore the Glenlyon Biolink walking trail along the Loddon River with local Artist Jodie Goldring.

During late October and throughout November Glenlyon Progress Association invites the community to participate in a series of weaving activities. The focus will be getting to know plants along the river and using them to learn weaving techniques with the guidance of an experienced Artist.

Some of the artworks will be left in situ to create visual interest along the trail and due to the ephemeral nature of the work will disintegrate over time.

All sessions will take place 10am - 3pm, starting from the Glenlyon Reserve Pavilion. Please bring snacks, drinks, lunch and wear clothing appropriate to the site and weather. There is no charge to participate. Everyone welcome at any or all of the sessions.

Friday Oct 26 - The Wool Crafters will work together to create a twined surface within the existing branches of a tree.

Sunday Oct 28 - Drop in and say hello to the Artist. In the morning learn how to make string and help create an installation with it from the branches of a tree.

Sunday Nov 4 - During this day grasses will be collected and used to cobble together boats, which can be sailed in the dam or along the Loddon.

Sunday Nov 11 - Twining and random weaving techniques will be used to weave birds out of willow & other materials.

Sunday Nov 18 & Mon 19 - Finely woven nests using the technique of random weaving will be made from *Iomandra longifolia*. (With the local Craft Group on the Monday).

Sunday Nov 25 - Participants will work together to make a large wreath from plant material and hang it from a new footbridge.

Wednesday 28 Nov - Mud nests with Playgroup

Fri Nov 30 - The twined surface created within the existing branches of a tree at the beginning of the project will be completed
