PRINCIPAL'S REPORT

SMS TEST

Hopefully everyone received the SMS test message sent out on Monday afternoon. This allows us the opportunity to check the accuracy of all numbers in the case of any emergencies. Thank you for your support with this.

PICK MY PROJECT

Our "Pick My Project" voting opportunity entitled robotics@daylesford concludes on Monday the 17th of September at 5pm. If you haven't done so already I encourage you to vote for this fabulous project. Likewise, I encourage you to ask friends, relatives and neighbours to support our project. Having a robotics centre at our school will be fabulous as we focus on engaging educational experiences supportive of future learning and job opportunities.

Thank you to all those who have so far voted in favour of our project! We have our fingers crossed!

REGIONAL ATHLETICS SPORTS – TODAY

At the time of writing we have 26 of our students competing in the Regional Athletics sports at Llanberris Oval. We wish all competitors the very best as they represent our school with distinction. Thank you to our supporters who no doubt have taken the time to cheer on our competitors.

TRIVIA NIGHT – OCTOBER 13TH

Our trivia night is gaining momentum. Everyone should have received the poster outlining this fantastic opportunity to test your brainpower in an atmosphere of fun and enjoyment. Please contact Andrea 0414478501 if you wish to book a table or be a member of a made up table! We look forward to your company on which should be a fun and entertaining night. More information will follow in next week's newsletter.

OUR NEW CROSSING SUPERVISOR

It is with great pleasure and congratulations that I announce that Krystal Phipps is our new crossing supervisor. Krystal is an active and supportive member of our parent community and we very much look forward to having Krystal supervising our crossing for years to come. Please make yourself known to Krystal!

ROTARY CONCERT WEDNESDAY 19TH SEPTEMBER DAYLESFORD TOWN HALL

Many of our children will be participating in the Rotary Concert this coming Wednesday at 6 pm. This is an outstanding opportunity to celebrate the performing arts and our school will be a significant contributor, with our two choirs performing together. We encourage everybody to come along and celebrate the performing arts of many primary aged children in the Hepburn Shire. The cost is a gold coin donation.

END OF TERM FINISH TIME

Please note that next Friday, the 21st of September, is our final day for Term 3. School finishes at 2.30pm on this day so therefore all bus travellers will be some 50 minutes earlier to their respective bus stops than usual. Please make arrangements for this change of time.

Enjoy your weekend
Trevor Edwards
Principal

Whole School Concert

Our whole school concert will be held in the evening of **Tuesday 13th November.**

WHAT: It will be a folk dancing experience with a live band, picnic atmosphere and will 100% involve audience participation!

WHERE: On the school oval, arranged in a big circle. Parents & friends on picnic blankets around the edges, band on a small stage in the middle and dance floor around the stage- 360 degrees of dance!

It's going to be like a big gorgeous community picnic with dancing and music!

GETTING IT TO THE NEXT LEVEL: Let's really make the atmosphere fun and maybe raise some funds too..... We could do this by including:

- Sausage sizzle
- Cake stall
- Coffee van
- Food van

WE NEED YOU! Whilst the teachers are busy organising amazing feats of folk dancing and music, we need some parents & friends to help with the extra pizzazz!

Can you help us with:

- Sausage sizzlin'!
- Co-ordinating a cake stall
- Finding food vans to come
- Getting the BEST coffee van ☺

Please get in contact with us if you want to help make a truly memorable experience for the school and wider community.

YANDOIT NEWS – A MESSAGE FROM KERRY

Another week of exciting learning at YPS has been had. Our seedlings are in the GARDEN. The kids did a fantastic job weeding and planting on Monday. I am so proud of how they work together and the language they are using to communicate with one another. The writing that the children have produced in last week's big write was both entertaining and a credit to them.

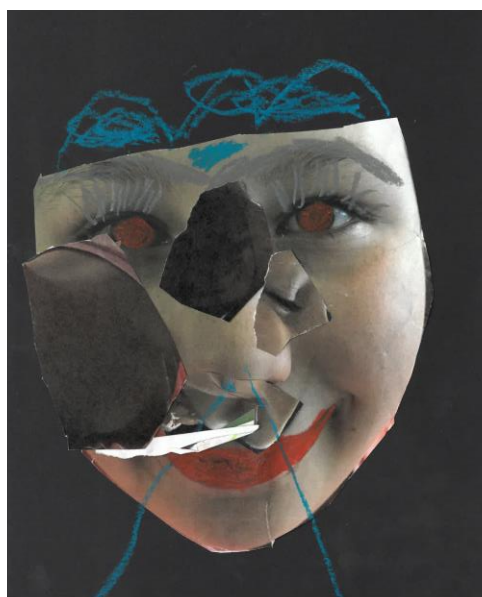

Mr Edwards sent a test text message out on Monday anyone who didn't receive this could they let me know. It will be used for important school notifications.

One week till the Rotary concert performance (next wednesday). The children will need to be dressed in their black clothes and meeting me out the front of the hall at 5.20pm. I will take them into the hall and show them where they are performing so it will help with stage fright. The concert starts

at 6pm. If you wish to take them after they perform please let me know. Could the children please bring in their black costume for a rehearsal on Friday that we will perform in front of Drummond when they join us for a sustainability workshop on waste.

With the beautiful weather we will be taking the opportunity to do our learning activities outside.

Who Am I??

PLEASE VOTE! Daylesford Primary is applying for a grant to buy resources to support STEAM (science, technology, engineering, arts, mathematics) learning through coding and robotics. YPS students will benefit from these resources too. You and everyone you know can help us by voting on "Pick my project" under Daylesford Primary School.

HEALTHY TIPS

Physical Activity

For health benefits, children aged 5–12 years should accumulate at least 60 minutes of moderate to vigorous intensity physical activity every day.

Moderate intensity physical activity requires some effort, but still allows you to speak easily while undertaking the activity. Examples include active play, brisk walking, recreational swimming, dancing, social tennis, or riding a bike or scooter.

Vigorous intensity physical activity requires more effort and makes you breathe harder and faster ("huff and puff"). Examples include running, fast cycling, many organised sports or tasks that involve lifting, carrying or digging.
