

A small, light-colored wooden building with a dark roof, possibly a schoolhouse or community center, surrounded by trees and a paved area.

FAX 5476 4416

*We pay our respects to elders past, present and emerging.
We are proud to acknowledge Dja Dja Wurrung as the Traditional Owners of this Country.*

PRINCIPAL'S REPORT

Remembrance Day

Last Saturday we had a number of representatives from the school community who attended the Saturday Remembrance Day commemoration, representing our school student body. Thank you to Scout, Maddisyn & Lachlan who laid a wreath on behalf of our school. Well done to all of our students who were so respectful and thoughtful during the school commemoration last Friday. It was very touching to witness the attention paid by all students throughout this important time.

Armistice Garden

On Sunday the 11th of November, we officially opened our Armistice Garden. We had representatives from the RSL, the community and students from the school. Although low key the garden now takes pride of place as a respectful and important peaceful space to commemorate our past students who fought in all wars. Again thank you to Toby for his dedication to completing the garden to the point where it could be opened on this very special day, the 100th anniversary of the signing of the armistice treaty that ended World War one.

Leadership Day

Last Friday we hosted what was an outstanding opportunity to engage our future leaders in Year 5. The focus was on development of student skills and an awareness of the responsibility of leaders to be good team players, respectful of others and to plan to undertake positive change. Well done to our 26 Year 6 leaders who hosted the event, as they were facilitating and engaging the Year 5 students to support their leadership understanding. Again I would like to thank and congratulate Daylesford Rotary who were outstanding in teaching and supporting our current school leaders throughout the last 8 months. We hope the success of this program will provide the opportunity to foster this significant student development program into 2019.

Community Dance Evening

For many this dance and opportunity to celebrate the Performing Arts and foster community joy was a major feature of our school year. It was outstanding and it was so

wonderful to see parents, grandparents, ex-students, friends and community members attending and enjoying the spirit of fun and joy that existed on the night. I would like to congratulate Katie Yeung and Suzanne who were outstanding in both the passion and coordination to, first of all, come up with the idea and then see it develop into an outstanding community event. The hours of preparation involved was very evident, as the night progressed without a hitch, although the weather was on everyone's mind. Likewise I would like to thank the talented musicians and parents who formed the band. Again outstanding! I would also like to thank the teachers for their support but especially I would like to thank the children who made it so much fun! Well done to all the teams involved in catering for this event which also was a big undertaking! From my perspective I will always remember what an enjoyable and memorable night it was, showcasing the talent and fun that the Daylesford community is known for! Well done to everyone!

Paul Bangay Open Garden Weekend Volunteer callout

We are very excited to be one of four schools involved in this significant fundraiser for the Stephanie Alexander Kitchen Garden program throughout Victoria. This event is happening on the weekend with between 3 to 5 thousand people expected to attend. That being the case we are hosting a stall at the event. Gill Carron is coordinating the fundraiser but we desperately need volunteers. If you can help out it would be greatly appreciated.

Junior Swimming Program

I have been desperately trying to get an Auswim trained teacher to assist us to facilitate our junior swimming program, with little success. If you know of someone who is currently Auswim trained I would love to hear from you.

Have a wonderful weekend.
Trevor Edwards
Principal

YANDOIT NEWS – A MESSAGE FROM KERRY

Congratulations YPS Mob for a great contribution to the DPS whole school concert! It was a privilege to be the opening act and helping to connect everyone to our Traditional Custodians' culture and our land. Thank you parents for your support and participation it really felt like we are a part of a terrific greater community.

Next on our agenda; the children are preparing for our little school concert on the 12th December. Encourage them to talk about what they are doing as they are very excited about it.

Have a great week.

Our students have created their own Acknowledgement of Country:

We would like to acknowledge the traditional owners of this land, the Dja Dja Wurrung people.

We thank them for looking after the land and ensuring that they didn't take too much so the next generations can live a healthy life.

We thank the Dja Dja Wurrung ancestors for keeping the water clean and protecting our animals and plants.

We thank the elders for passing on knowledge and sharing their land

Coppélia – a sparkling tale of magic and mischief, where all is not what it seems....

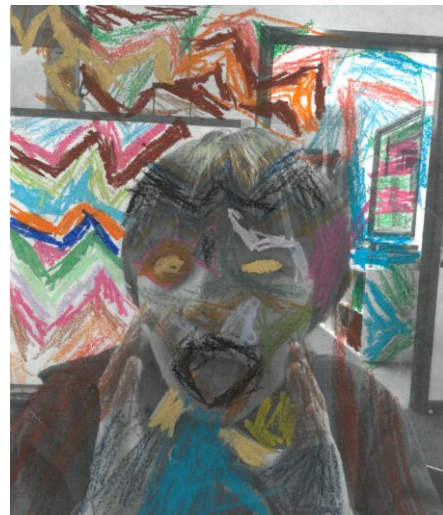

School Excursion: Friday, December 14th

Notes have been sent out with respect to this excursion. Payment is due by 30th November. Thank you.

Don't forget it will be an 8.15am start on the day.

NATURE Devours ART along the Loddon....

Come explore the Glenlyon Biolink walking trail along the Loddon River with local Artist Jodie Golding.

During late October and throughout November Glenlyon Progress Association invites the community to participate in a series of weaving activities. The focus will be getting to know plants along the river and using them to learn weaving techniques with the guidance of an experienced Artist.

Some of the artworks will be left in situ to create visual interest along the trail and due to the ephemeral nature of the work will disintegrate over time.

All sessions will take place 10am - 3pm, starting from the Glenlyon Reserve Pavilion. Please bring snacks, drinks, lunch and wear clothing appropriate to the site and weather. There is no charge to participate. Everyone welcome at any or all of the sessions.

Friday Oct 26 - The Wool Crafters will work together to create a twined surface within the existing branches of a tree.

Sunday Oct 28 - Drop in and say hello to the Artist. In the morning learn how to make string and help create an installation with it from the branches of a tree.

Sunday Nov 4 - During this day grasses will be collected and used to cobble together boats, which can be sailed in the dam or along the Loddon.

Sunday Nov 11 - Twining and random weaving techniques will be used to weave birds out of willow & other materials.

Sunday Nov 18 & Mon 19 - Finely woven nests using the technique of random weaving will be made from *Iomandra longifolia*. (With the local Craft Group on the Monday).

Sunday Nov 25 - Participants will work together to make a large wreath from plant material and hang it from a new footbridge.

Wednesday 28 Nov - Mud nests with Playgroup

Fri Nov 30 - The twined surface created within the existing branches of a tree at the beginning of the project will be completed
