PRINCIPAL'S REPORT

ANZAC DAY COMMEMORATION

I would like to congratulate our whole school community who attended the Daylesford Primary School ANZAC day commemoration on Monday commencing at 10.45am. It was an absolute pleasure to witness the respectful way all children responded to the ceremony and undoubtedly it helps support our emphasis on one of our school values, namely; "We are Respectful". Thank you to all of our school leaders who did such a marvellous job outlining and adding to the ANZAC spirit.

Likewise, I would like to congratulate all our leaders and students who attended the major Daylesford ANZAC commemoration on Wednesday. Thank you to our two school captains; Maddisyn and Scout, who ably assisted in ensuring that the Daylesford ANZAC commemoration was successfully acknowledged.

SENIOR ATHLETICS SPORTS

Well done to all who participated in our Senior school athletics sports on Tuesday at Llanberris. It was wonderful to witness the skill and determination of participants. We have some very talented athletes at the school who consistently achieve success. I would especially like to congratulate all participants for trying so hard and hopefully enjoying the opportunity to actively participate. Well done everyone and a big thank you to Mr K and Sherilee who organised such an active and engaging athletics sports. Well done to all.

OLC UPGRADE

Our 3/4 building will be undertaking some renovations in line with DET requirements to make it compliant as a Safe in Place area for all students and staff in the event of a Bushfire, for example. This building work begins next week over a three-week period and there will be minimal interruption and noise for the children and staff in this space! If you have, any concerns please phone me and I will discuss further. Much of the required improvement includes external upgrades rather than internal work.

I trust everyone had an enjoyable but reflective ANZAC day public holiday.

Enjoy your upcoming weekend.

Respect (self and others)

WE ARE A RESPECTFUL RELATIONSHIP SCHOOL

Train your taste buds- Eat less salt

When you regularly eat salty foods, you can develop a taste for it. This is especially important for children, whose tastes are being trained for life.

- The good news is you don't have to cut out salt all at once. If you reduce gradually, your taste buds will adjust in only a few weeks.
- You'll be surprised by how quickly you get used to the taste and notice all the other flavours that salt was hiding. You'll find you don't enjoy salty foods like you used to, so it's a great chance to experiment with different flavours.
- Stock cubes, soy sauce, Asian-style sauces and condiments like tomato sauce and mayonnaise can all contribute to salt intake over the day. Choose lower salt varieties where possible.

Below is a tasty lower salt recipe which can be great for school lunches or dinner!

Makes 14 Lamb Koftas

Ingredients

- 2 onions, chopped
- 1 tbsp olive oil
- 500g minced lamb
- 80g fresh breadcrumbs
- 2 tbsp chopped coriander
- 2 tbsp chopped fresh parsley
- 1 tbsp mild curry powder
- 2 tsp ground cumin
- 1 lightly beaten egg
- 1 low salt beef stock cube, crumbled
- 1 tsp sugar
- salt and pepper
- vegetable oil for frying
- 7 pitta bread pockets
- sliced tomato
- sliced cucumber

Method

Saute one of the onions in the oil until softened. Then mix together the sauteed onion, raw onion, minced lamb and all the remaining ingredients. Transfer to a food processor and chop for few seconds.

Form the mixture into 14 koftas, roll in flour and sauté until golden and cooked through.

Cut the pitta pockets in half. Spoon a little yoghurt into the pockets and stuff each one with a lamb kofta, slice of cucumber and tomato.

Very special carers required for very special sisters

Two siblings need someone special, or a special family to provide them with a safe and nurturing home for the long term.

These carers need time, energy and commitment to ensure the children's needs are met and they are engaged with every opportunity to promote their development and growth.

You will be provided with an intensive package that includes CAFS case management support team, NDIS supports, generous fortnightly reimbursements, 24/7 on-call support, and a targeted support package to suit the placement requirements.

Other support could include, but is not limited to, specialist training, regular respite opportunities, carer supervision and an opportunity to make a difference in these young people's lives. In many cases, children and young people with disabilities can thrive in foster care – they can reach and exceed educational and health milestones, and grow in confidence and grow into active and confident members of society.

These girls enjoy horse riding, arts and craft, singing, dancing, swimming and bike riding.

For more information, contact DI or one of our Carer Support Team members at CAFS on 5337 3333.
