2018 TERM DATES

Term 3: 16 July to 21 September
Term 4: 8 October to 21 December

Sometimes it can be hard to sleep. It is important to listen to these feelings. They might be telling us it is time to ask for help.

Current Focus

Goal Setting (Responsible Learner)

WE ARE A RESPECTFUL RELATIONSHIP SCHOOL

Sometimes talking about what has been happening in your life can bring up concerns, where you may need to seek extra support.

KIDS HELPLINE FOR YOUNG PEOPLE: 1800 551 800

HEADSPACE FOR TEENS: 1800 650 890

DEALING WITH EMOTIONS

We should remind our children and ourselves that when problems start out small, we can often deal with them on our own, using our strengths and coping strategies. But sometimes problems can get big and it is important to know when to ask for help.

Our feelings are good at telling us when things are getting too hard to manage on our own. Our heart can start beating faster, we can get hot and sweaty, we might cry easily or get angry.

PRINCIPAL'S REPORT

SCHOOL HOLIDAY BREAK

I hope everyone enjoys their school holiday break. Please remember that tomorrow school concludes at 2.30pm. Consequently, all bus travellers will be affected as they will be picked up earlier from school. Please ensure that arrangements have been made to accommodate this at the various bus stops. I hope everyone enjoys a restful break. We will commence term 3 on Monday the 16th of July.

MAVERICKS AND MISFITS PRODUCTION

*We would like to pay our respects to elders past and present.
We are proud to acknowledge Dja Dja Wurrung as the Traditional Owners of this Country.*

Our year 3 to 6 children had the opportunity to attend this fabulous production on Wednesday. Congratulations to all the actors, producers, directors and all the behind the scenes people who made this such a standout production. Again, you may like to attend as a family. I suggest that you book tickets on www.trybooking.com/VWLB and make it a great family night. Congratulations must go to the children from Daylesford Primary School who were performing in Mavericks and Misfits! Outstanding!!

BOOK FAIR-SEPTEMBER 1ST AND 2ND

Again, we would like to thank all the people who have, over the previous month or so, delivered excess books to the school to support our Annual Book Fair. Everything is progressing well but we would still encourage volunteers who would like to assist with the organisation, or especially the book sorts, to contact Shelley Sandow on 0427 152 949.

REPORTS OUT YESTERDAY

Everyone should have received their child's/children's reports yesterday. As stated in last week's newsletter parent/teacher/student interviews will be hosted at the school on our pupil free day Wednesday the 25th of July. Further information and scheduling will be outlined in subsequent newsletters at the commencement of Term 3.

SCHOOL TRIVIA NIGHT

With today's newsletter there is information about our school council approved Trivia Night, to be hosted on Saturday October 13th. If you believe you can assist please contact Andrea Gardiner, who is project managing this event.

NAIDOC WEEK 2018

I have included information about Ellen's walk for Reconciliation to be held on Sunday 15th July 2018. We would like you to consider participating in this wonderful event as an important aspect of Reconciliation.

I hope everyone has a wonderful break.

ATTENDANCE

Could all parents please notify the school when their child is absent during the week. This can be in the form of a phone call **before 9.00am** or in person at the office. Doing this enables us to keep track of where students are during the week.

It is a requirement of the Education Department and we are endeavouring to improve our unexplained absences throughout all schools.

Thank you for your assistance

YANDOIT NEWS – A MESSAGE FROM KERRY

It has been a fabulous semester of learning and I hope you will celebrate the children's growth and success with them over the holidays. We are winding the term up with cooking cupcakes and a movie, fun times! Next term we will continue with our active bodies active minds program in the mornings, walking (when the weather permits), aerobic dance and yoga. Could the children please bring in slippers, if available, when they go walking and play outside their feet become wet and muddy.

We are super sad to announce that our school captain Bella is moving across to Daylesford Primary for second semester. Thank you Bella for the leadership and friendship you have shown, and we wish you the very best for your next adventure. Don't be a stranger!

I hope you have a restful and warm holiday period and Jose and I are looking forward to seeing everyone next term.

BUTTERFLY CUPCAKES

Ingredients (sponge cake recipe modified):

225g unsalted butter, softened
220g (1 cup) caster sugar
4 eggs
225g (1 ½ cups) self-raising flour
2tsp baking powder
1tsp vanilla extract
Icing sugar, to dust

Filling

110g (1/2 cup) strawberry or raspberry jam
250ml (1 cup) thickened cream, whipped until thick

Method:

1. To make sponge, preheat oven to 180C. Using an electric mixer, beat butter, sugar, eggs, flour, baking powder and vanilla extract on low speed until well combined. Increase speed to high and beat for 3 minutes or until mixture is smooth and pale.
2. Divide mixture into cupcake patties. Bake for approximately 10mins (checking at this time to see if cooked). To check insert a skewer and see if it comes out clean. Cool cakes for on a wire rack.

To assemble, cut top off cupcakes and then cut top piece in half. Spread some jam on the top of the

cupcake and then some cream. Place the two pieces on top of the cupcake – like butterfly wings! Dust with icing sugar.

School Photos 18th July - REMINDER

Envelopes have already been handed out and must be returned on the day of photos 18th July.

To the Parents / Carers and families of 2018

Hello, my name is Andrea Gardiner and I am writing to you as one of the parents on behalf of Daylesford Primary School for the 2018 School year.

We are planning a Trivia night for Daylesford Primary School on Saturday October the 13th. The Trivia night will be planned in hope to raise substantial funds for heating and cooling for most of the students classrooms. Having sustainable heating is a must, but also cooling in the summer months for continued support of our children; to concentrate, learn and grow in their classroom environments. Studies showing that high classroom temperatures, as well as low classroom temps can affect a student's ability to learn and function.

- To make this night a success we need the help of our families!
- Donation/s or voucher/s of any amount will be gratefully accepted from families or industries/ businesses/ organisations
- Do you own a business that would consider a larger donation / sponsorship?
- Do you own a business or know of a business that could supply split systems to the school at a reduced rate?
- Do you have a trade that could assist in the quoting / fitting of appliances?
- Would you like to be part of the sub-committee for the Trivia night?
- Start organising your friends and family for a table of 10 for the night!

More information about the trivia night will be out in Term 3. If you feel you can assist on any of the points above please contact me as per contacts below. All businesses that assist will be added to the school newsletter, all supporters acknowledged at the trivia night, and appreciation certificates will also be posted.

I look forward to hearing from you,

Kind regards,
Andrea Gardiner
