

Canteen

Purpose

to provide economical and predominately nutritious items of food and drink for sale, as an alternative children's school lunch.

Guidelines

The Canteen will stock items that reflect the good nutritional aspects of the school's Health Education Program.

While not a fund raising body, the canteen will operate on a profit margin in order to meet maintenance requirements and future improvements.

Implementation

The Canteen will be managed by a sub-committee of school council.

Parents will be asked to serve in the canteen on roster basis.

The sub-committee will be responsible for the management of the canteen.

Handling of all money will be managed in line with all other school accounting practices.

Evaluation

Will be gauged through student usage.

By the parents' support.

By the Canteen Management Committee.
