

## **Risk management**

### **Purpose**

To provide a healthy and safe school and working environment.

### **Guidelines**

A high profile of risk management will be maintained in the school.

Risk identification and management is the responsibility of employees, students and visitors to the school.

Practices relating to Risk Management will be continually monitored, documented and reviewed.

All relevant acts and regulations pertaining to the school operations will be adhered to, and appropriate processes and procedures put in place.

A Risk Management Plan will be created, reviewed and updated.

### **Evaluation**

The Risk Management Plan will be evaluated at the start of each school year.

Reviews will be conducted in line with our policy review plan.

### **Supporting policies**

- Risk Management Plans – DISPLAN, Asbestos Plan
- Staff Welfare Policy
- Student Welfare Policy
- Occupational Health and Safety Policy
