## PRINCIPAL'S REPORT

### From our Classrooms

One of the features of our school is the quality of our Specialist programs. In this edition we highlight what happens in our LOTE, Visual Arts and Performing Arts programs.

The photos above show how Senora Trudi runs one of our LOTE sessions. While a group works with her the other students are working using IT, constructing words using scrabble tiles or doing some vocabulary work.

Collaboration is important in how students learn. In our Visual Arts program Nicole weaves this element into every area of the teaching program. In these examples the Grade 3/4's are collaborating in designing indigenous art.

In Performing Arts as well as playing tuned instruments the students also collaborate in their music writing. I did also hear Gwain and Nina sing beautifully in this session.

### Staffing News

Here is a complete list of staffing updates that I would like to share with you. The first two went out earlier this week. Firstly, Jessica Sellick has been provisionally appointed for the remainder of the year teaching Grade 1/2'S. Well done Jess - you have been and will continue to be a great acquisition to the school.

I have been offered a promotion secondment in Melbourne for the remainder of the year which I have accepted -it is for Principal 4 position. This will commence on April 19th.

The Department will organise a replacement before the end of this term and we will be able to announce this in our final newsletter of the term.

Amy Kinnear will be teaching five days a week in Grade 1/2A from the beginning of next term. Amy has done a great job setting up the Tutoring program but I know that she is tearing at the bit to get back into her classroom with the fantastic students in the grade.

We welcome back Melissa Stevens from Long Service Leave. Liss will be working as our Numeracy coach alongside Karen Brothers – who will be working with students and teachers on building on our already strong Maths data.

Finally Katie Stiffe will be continuing her work in the Mini Lit Program and Tutoring for the next two terms. She will also be running an extension program in Grades 5 & 6 which will also run for two terms. Chris, aka Mr T will continue running the Multi Lit program – one of the best things give seen in 37 years in education.

All in all with these things in place we have a lot of programs that are going to meet the individual needs of our students going forward. More importantly we have really skilled people delivering them.

### **Assembly**

Our whole school assembly will be held in the gym next Tuesday. Due to CoVid restrictions it will be staff and students only. I have included the paragraphs from the DET Operations Guide below.

Assemblies, award ceremonies and other large gatherings

*If an event is held with external guests (parents/carers/visitors) then the overall attendee limit (inclusive of guests, staff and students) must be based on available floor space of the venue; with the density limit of one person per two square metres applied.*

*If an event is held exclusively with students and staff from a single school during or outside of school hours, density limits do not apply to the venue or dancefloor, regardless of whether the event is held at school or at a hospitality venue, entertainment facility or community facilities.*

Our gym can only accommodate 136 people if we have external guests, so next Tuesday's assembly will be staff and students only. Further own the track Karen McHugh (our Assistant Principal) will look at other alternatives.

Brett Millott  
Principal

## **School Crossing Safety**

Parenting and children's development expert, Steve Biddulph, reminds us that "Hurry is the enemy of love".

Can we encourage parents and carers to slow down and take note of road rules at drop off and pick up time? Don't let a mistake cost an accident or a fine.

Our kids' safety and well-being depends on us all being present and caring for each other!

## **School Council – Diversity and Inclusion subcommittee update**

### **Diversity and Inclusion Picnic – Monday 29 March 2021**

A date has been set for the school picnic, Monday 29 March 2021 at 3.30pm. The picnic coincides with the student council rainbow day event. What a great day this will be for students and the school community to celebrate! Further details of the event will be sent home with students.

Kind regards,  
Diversity and Inclusion subcommittee.

If you would like your child to enjoy lunch from the Healthy Lunch Kitchen but you have circumstances that prevent you from ordering, please contact [kitchen@healthylunchkitchen.org](mailto:kitchen@healthylunchkitchen.org) us for a confidential discussion about different options.

### **Some exciting updates and improvements!**

We've made ordering lunches for both days easier. You can now order for Wednesday and Thursday on one order. That means one check out process. We hope that saves you some time. Just select the lunch day for each item in the new drop-down field after the item 'notes'. 🍕

You can now order lunches on the morning of the lunch day but only until 8am. We tried to make this happen last week but there was a glitch in the system which we've fixed now. Apologies to anyone who tried to make a last minute morning lunch order last week. Hopefully we have this sorted now.

**Hats are to be worn at all times in the playground during Terms 1 & 4 and on high UV days**  
**Hats can be purchased from the office for \$12**

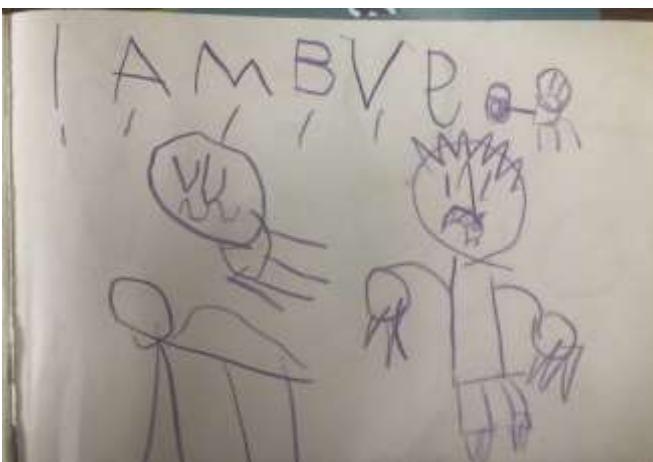

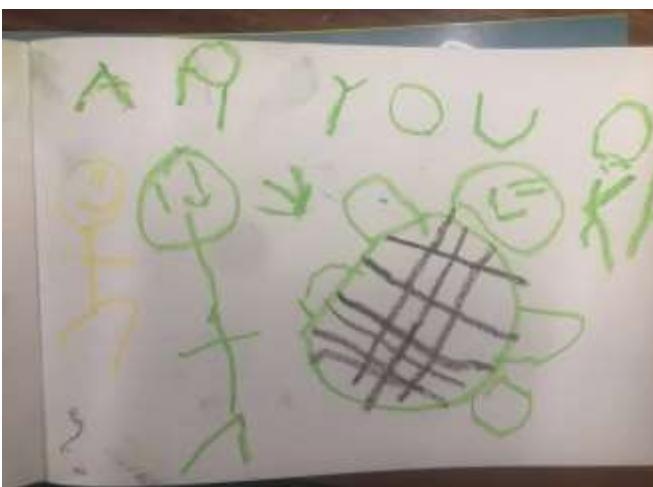

**Please ensure sunscreen is applied each morning before school!**

## CASTLEMAINE STATE FESTIVAL 2021

### FESTIVAL HAPPENINGS 19 MARCH – 4 APRIL

#### EDUCATION PROGRAM

For this year's special COVID-safe Festival we have created a suite of very accessible education packages.

Registered schools will receive a Learning Guide to prepare them for the Festival, a video recording of their selected event to watch in school, and either an in-school live workshop with the artist or a pre-recorded artist talk/workshop to view. We offer packages focusing on York Yorta musician Alfura, South Sudanese singer/songwriter

Ajoli Kowai, and a visual arts-based package called Jessie Baylon and the Weathermakers. You can also look out for students from Campbells Creek PS, Chewton PS and Elphinstone PS in the Festival performance of *One Sky Many Stories*.

The XYZ Media Team is back with a bang! young people aged 12-20 can now sell all aspects of the CSP 2021, bringing their own special perspective to our program through reviews, reviews and interviews under the mentorship of local media experts.

#### FAMILY PROGRAM

In addition to opportunities for young people to participate in the Festival through directed workshops, there is also a smorgasbord of beautiful performances and artworks for the whole family to enjoy together. Whether it's exploring the solar system with Inverti Ensemble Kids Planets, watching circus performers fly through the air in One Fell Swoop, growing out with the Twenty Ting Stevens or rocking out with Otto & Arthid, you will be sure to have a ball! And if that is not enough, what better than some garden inspiration of Our Village and Buder's Secret Garden.

#### VOLUNTEERING

It is always a pleasure for us to welcome new and previous volunteers to be part of our wonderful Festival team! For this year's Festival, we still have catering and visual arts hosting shifts available to fill over the two weeks. What a great way to enjoy the variety of inspiring performances, exhibitions and activities that we have in store throughout the Festival. If you would like to register to be a volunteer, please visit [castlemainestatefestival.com.au/support/volunteer](http://castlemainestatefestival.com.au/support/volunteer) and we will be in touch with the roster for you to select the shifts that you are available for. The volunteer induction will take place on Monday 1<sup>st</sup> March at 6.30pm and is important for all volunteers to attend as it will cover COVID-safe training.

For more information on all aspects of our program, please visit [castlemainestatefestival.com.au](http://castlemainestatefestival.com.au).

We very much look forward to seeing you at the Festival!
