Sometimes talking about what has been happening in your life can bring up concerns, where you may need to seek extra support.

PRINCIPAL'S REPORT

It's great to be back at school after my maternity leave. Words cannot express my gratitude well enough, but I shall try!

Trudi, you're a rockstar! Thank you for stepping into the acting principal role. Your dedication, professionalism and compassion are nothing short of amazing. I know you don't want a fuss and I admire your humility BUT I could not have had my 'fourth trimester' with Esmeralda without you and I wanted to publicly acknowledge your efforts!

Amy thank you! You've stepped into the acting assistant principal position with gusto. Your adaptability, dedication and organisation are outstanding. You got your head around the daily org. role with impressive speed and have supported students, staff and families amazingly.

To our sensational leadership team, wow! Thanks for all the work you do, for navigating the implementation of PLCs with heart, thought and determination.

To our incredible wellbeing team, the work you've undertaken, though much of it is 'behind the scenes' at the moment, has not gone unnoticed even in my absence.

To our amazing staff, thanks for stepping up, stepping in and working so brilliantly together, thank you. Thank you for keeping me 'in the loop' with school life.

To Russ and our school council, thank you for the kind words and messages. Nat, the email you sent me was simply beautiful.

And to our fabulous families and sensational students, thanks for all your support and for the lovely welcome back!

Have a wonderful break everyone. I'm looking forward to term three in July!

CANNED FOOD DRIVE.

The Daylesford College Year 12 VCE VM class are running a canned/ dried food drive for the Good Grub Club which provides for members of the Hepburn Shire community who are in need. They provide some free community meals and some take home items from the Uniting Church Hall.

We are seeking donations of canned food and dried goods, anything that isn't perishable. We believe that this food is most useful as it can be stored for longer periods of time and then given to people in need.

The Year 12 VCE VM students are asking students and families at both the Daylesford Primary School and Daylesford College to donate small non-perishable items to go towards this program.

A collection box will be placed in the front office Thank you for your support!

MEDIA RELEASE:

BOREALIS ON THE LAKE

SEE THE NORTHERN LIGHTS IN DAYLESFORD THIS WINTER

Andrew Kay and Associates, in partnership with Gluttony and, supported by the Victorian Government, present **BOREALIS** on the Lake.

Daylesford's night sky will light up in colour again this winter, every Thursday to Sunday from 20 July to 1 October, 2023, supported by the Victorian Government's Regional Events Fund. General public tickets go on-sale Wednesday 31 May.

Dreaming of seeing the Northern Lights? Make it a reality without travelling across the world. Created by internationally renowned Switzerland-based artist Dan Acher, the captivating display is set to transport Victorians to the Arctic Circle in an experience that will be unique to Daylesford.

Located 90 minutes from Melbourne, Daylesford has always given city dwellers the opportunity to escape from the hustle and bustle of the city and unwind. **BOREALIS** transports you to a place faraway, where time slows down as your eyes look up. The two are a match-made in heaven, the perfect getaway.

BOREALIS combines technology and art to create unique auroras over Lake Daylesford. Colour, movement, density of light beams and changing weather conditions work together to give infinite variations. "Surreal" is the only way to describe how it feels, to watch as the lights dance across the lake.

"We acknowledge and appreciate the support of the Victorian Government's Regional Events Fund, Hepburn Shire Council and Daylesford Macedon Tourism in facilitating the return of **Borealis** to Lake Daylesford. The magic and awe of **Borealis** is elevated in darkness and surrounded by nature. With its own unique natural beauty, we couldn't think of a more perfect setting than Lake Daylesford to recreate this spectacular effect. Add to the mix Daylesford's progressive dining scene, multiple wellness experiences and its amazing collection of quality accommodation offerings, and you have all the ingredients for a truly magical weekend away." Andrew Kay AM

BOREALIS is not just about what you see, but what you hear, an experience beyond the visual effect. Set to a soundtrack created by French composer Guillaume Desbois, the music is as wispy and ethereal as the auroras. Sounds develop in layers, created using synthesizers and traditional instruments. It may sound simple but forms a crucial part that adds to the sense of wonder. The result: a truly immersive experience.

From Switzerland to Japan and many successful presentations across Australia, **BOREALIS** has toured the world. **BOREALIS** debuted in Daylesford in 2022 bringing in people from all over Victoria. The audience reaction was so positive that we decided to bring it back again for Winter 2023!

Dates: 20 July to 1 October, 2023 (every Thursday to Sunday)

Times: Between 6.00pm-9.30pm
