With the wet weather upon us it is a good idea for parents/carers to pack some spare clothes for students in their bags eg socks, pants.

While we do have some spare clothing at the school for students who become wet, we do not have an unlimited supply and can run short during the winter.

Also any donation of spare clothing would be welcomed.

BE CAREFUL

Remember everyone when the frosty school grounds become very slippery.

PRINCIPAL'S REPORT

Writing

We are authors! That's the message we're giving the kids at the moment. Across the school we have had a focus on writing and pleasingly our local assessment and broader assessment are showing improvement! In coming weeks students will be developing pieces to submit for the Words In Winter competition. This year the theme is 'Out Of The Shadows'. I can't wait to see what our amazing, talented young authors create.

NAPLAN

Individual NAPLAN results will be coming home for students in grades three and five in the next couple of weeks. This year, a new system has been implemented at a national level with four proficiency standards for each year level. This replaces the old system where 10 bands were used across all testing levels, grade three through to year nine. More information on this will be sent home with your child/ren's individual NAPLAN report.

Assembly

Starting next week, we are moving our assembly time forward just a smidge! Assembly will begin at 2.30pm which will allow teachers time to take their class back to rooms to collect their bags for dismissal. This change is to ensure we have enough time to present all agenda items and also to eliminate a short gap between the end of assembly and the end of the school day. Parents wishing to take their child/ren at the end of assembly simply need to swing past the office and sign them out at the Compass kiosk.

Class DoJo

Over the course of second semester, we are hoping to deepen our communication and engagement with the families of our students. As part of this strategy, we are rolling out a new communication app, Class DoJo, for the dedicated purpose of giving you a window into the fantastic things happening in our school. The purpose of this app is simply to celebrate all the wonderful things our kids get up to on a daily basis through short posts, photos and videos. Class DoJo will replace our old platform, SeeSaw which has become financially unviable for our school. Class DoJo is a closed platform and only available to families at our school. You will only see your child/ren's own class story and the school story. Please note that this app in no way replaces Compass. *Compass continues to be the primary source of important information and communications from the school as a whole.* We trialed a roll out of this app in our 5/6 classes and it has been hugely successful. If you have children in other grades (prep to grade four) please keep an eye out for information coming home from the school on how to sign up.

Dear parents/carers,

We are delighted to inform you that Daylesford and Yandoit primary schools will be participating in the world-renowned ICAS competition this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee, and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals.

We encourage you to consider entering your child into ICAS this year.

Learn more about ICAS [HERE](#)

(icasassessments.com/products-icas/)

How to participate in ICAS

If you wish for your child to participate in ICAS this year, please:

1. read about ICAS subjects and prices
here: (icasassessments.com/products-icas/)
2. read the Privacy Collection Statement below.
3. read the terms and conditions
here: (icasassessments.com/wp-content/uploads/2023/04/2023-ICAS-Assessments-Schools-TsCs_S2023.V6-1.pdf)
4. go to Parent Portal to purchase tests **here:** (shop.icasassessments.com/pages/pps)
5. enter our school's access code – WYM183
6. enter your child's details, select the tests you would like to purchase, then proceed to payment.

Please note that the ICAS tests shown for selection are at the school's discretion.
will receive an order confirmation email, please keep this for your records.

ICAS Results and Certificates

We will notify you of the date(s) that we run ICAS at the school and when your child's ICAS results are ready. Once we have received your child's ICAS certificate, we will send it home with your child. The back of the certificate shows ICAS results and the login details, "TAP ID and Pin", that you and your child need to enter the [Results Portal](https://orti.icasassessments.com/ortiStudent) orti.icasassessments.com/ortiStudent.

Privacy Collection Statement

The following information is a privacy notification about how your child's data is kept private and secure.

ICAS Assessment is owned by Janison Solutions Pty Ltd (We, Us, Our).

*To deliver assessment products, Janison will require your child's School to obtain your consent to provide Janison with certain personal information of students. Janison will collect, store, use, disclose and otherwise deal with such personal information in accordance with its privacy policy (below). We are aware of our responsibility to protect personal information related to children and students from being disclosed when we deliver an ICAS Assessments product. Unless you, as the child's legal guardian consents, we **will not**:*

- *collect any personal information or data of children other than the information we need for the successful completion of an assessment, test, or exam.*
- *transfer any personal information we obtain from a child in the delivery of assessments and tests to any jurisdiction outside of Australia.*
- *share any personal information relating to children with any third parties (except for those third parties necessary for us to carry out our Services or provide our Products e.g., medal engraving).*
- *use any personal information or data relating to children for marketing purposes.*

You can view our full privacy policy at

<https://www.janison.com/privacy-policy/>.

We may retain personal information and data relevant to a child for their future purposes or for research purposes by Janison for the duration of the school life cycle of the child. However, if you or your child at any time wish to have their personal information or data removed from our systems, they or you may opt out by simply contacting our Privacy Officer at privacy@janison.com or by contacting icasassessments@janison.com.

We are proud to offer ICAS and look forward to some fantastic results later in the year. Please do not hesitate to contact the school office if you have any questions on 53482480.

STUDENT / COMMUNITY

ACTIVITIES

**ORIENTEERING
VICTORIA**

Come and Try Orienteering in Daylesford Saturday 22nd July Proudly Supported by VicHealth

- Saturday a.m. at Cornish Hill

If you or your family like Treasure Hunts, solving problems or just getting outside and walking/running then this could be the sport for you. Orienteering is a sport where competitors navigate their way around a set of checkpoints or controls. It adds another challenge to just going for a walk or run because the fastest isn't always the winner. You can participate as an individual, in pairs or family groups. Explore areas like Cornish Hill in brand new ways.

How does it work?/How do I get involved?

The Saturday event is a Come and Try it event where we will have coaches to help you. You just turn up ready to run or walk and someone will show you how it works. We'll explain how the maps work, what you are looking for and what you need to do. If you have a compass, please bring it but we will have some available and for your first event, it isn't necessary.

We'll give you a specially prepared map with a series of checkpoints marked by purple circles on the map. You navigate your way to each circle in turn and at each checkpoint there will be an orange and white flag and a punch so you can register that you got there. Then you navigate to the next one and so on, until you get to the finish.

The come and try it and beginner courses will be designed to take walkers 40 minutes and runners 20-30 minutes. It's better if children under 12 go with an adult or their families for their first try and others may want to run as a pair.

Where and when?

10-12 am at Cornish Hill on Saturday.

How fit do I need to be?

The courses will be designed for all levels of fitness. Its up to you how fast or slow you want to go.

If we like it, then what?

There are events in the area throughout the year and many more great events to come in the area in the next few months like a great event at Jubilee lake on 6 August.

For more detail go to www.vicorienteering.asn.au

MEDIA RELEASE:

SEE THE NORTHERN LIGHTS IN DAYLESFORD THIS WINTER

Andrew Kay and Associates, in partnership with Gluttony and, supported by the Victorian Government, present *BOREALIS on the Lake*.

Daylesford's night sky will light up in colour again this winter, every Thursday to Sunday from 20 July to 1 October, 2023, supported by the Victorian Government's Regional Events Fund. General public tickets go on-sale Wednesday 31 May.

Dreaming of seeing the Northern Lights? Make it a reality without travelling across the world. Created by internationally renowned Switzerland-based artist Dan Acher, the captivating display is set to transport Victorians to the Arctic Circle in an experience that will be unique to Daylesford.

Located 90 minutes from Melbourne, Daylesford has always given city dwellers the opportunity to escape from the hustle and bustle of the city and unwind. *BOREALIS* transports you to a place faraway, where time slows down as your eyes look up. The two are a match-made in heaven, the perfect getaway.

BOREALIS combines technology and art to create unique auroras over Lake Daylesford. Colour, movement, density of light beams and changing weather conditions work together to give infinite variations. "Surreal" is the only way to describe how it feels, to watch as the lights dance across the lake.

"We acknowledge and appreciate the support of the Victorian Government's Regional Events Fund, Hepburn Shire Council and Daylesford Macedon Tourism in facilitating the return of *Borealis* to Lake Daylesford. The magic and awe of *Borealis* is elevated in darkness and surrounded by nature. With its own unique natural beauty, we couldn't think of a more perfect setting than Lake Daylesford to recreate this spectacular effect. Add to the mix Daylesford's progressive dining scene, multiple wellness experiences and its amazing collection of quality accommodation offerings, and you have all the ingredients for a truly magical weekend away." Andrew Kay AM

BOREALIS is not just about what you see, but what you hear; an experience beyond the visual effect. Set to a soundtrack created by French composer Guillaume Desbois, the music is as wispy and ethereal as the auroras. Sounds develop in layers, created using synthesizers and traditional instruments. It may sound simple but forms a crucial part that adds to the sense of wonder. The result: a truly immersive experience.

From Switzerland to Japan and many successful presentations across Australia, *BOREALIS* has toured the world. *BOREALIS* debuted in Daylesford in 2022 bringing in people from all over Victoria. The audience reaction was so positive that we decided to bring it back again for Winter 2023!

Dates: 20 July to 1 October, 2023 (every Thursday to Sunday)
Times: Between 6.00pm-9.30pm
