CANBERRA

THANK YOU

We are so grateful to the Daylesford Foundation for their support this year. Not only did they support students financially to attend Canberra camp, they also supported our whole school. Their generosity is making profound differences to our kids, families and school. We cannot thank you enough.

Anthony Becker

Along with providing a fantastic cleaning service, Anthony brings a huge smile, generous spirit and a sense of fun to our school. He is always willing to go above and beyond helping with all manner of jobs from sticky doors, to bung locks and providing valuable information about school upkeep and maintenance. Anthony is loved by the kids and his games of 'rock, paper, scissors' as he's pushing his cart around the school bring smiles and giggles to many. Anthony, you are an important member of our school community and we're lucky to have you!
