### POLICY

#### 1. School profile

Daylesford and Yandoit Primary Schools, with a combined enrolment of almost 300 students, are located in the rural townships of Daylesford and Yandoit respectively. We have a combined staff of 41 (1 Principal, 1 Assistant Principal, 22 Teaching Staff and 17 Support Staff with a range of time fractions). Sitting within diverse, expanding communities, each location creates an environment in which our students feel part of a friendly, inclusive, respectful, caring and supportive environment. Each location provides a dynamic learning environment wherein students can develop resilience, manage their own learning and strive for their personal academic, creative and social best.

**Daylesford Primary School**, established in 1875, boasts heritage buildings, a swimming pool, gymnasium, and an Open Learning Centre with a commercial grade kitchen facility. Our curriculum provision is comprehensive, with

three specialists delivering in Performing Arts/Choir, Visual Arts and LOTE/Italian. Our classrooms are interactive and the use of ICT strengthens student engagement. We also have a very successful Kitchen Garden Program.

**Yandoit Primary School** is a small rural campus nestled between pastures and bushland. The school is a community hub, delivering an individualised, holistic approach to education that promotes success for all. The multi-age classrooms are where teachers and parents enjoy a collaborative relationship. We place an emphasis on our unique environment that provides natural opportunities to exercise and enhance learning, behaviourally and cognitively.

Communication between schools and school communities is valued. Opportunities for parental and community involvement are integral to our school culture. The vibrant and enriched local culture is embraced with strong community links demonstrated through the Swiss-Italian Festa, Cultural Day, Words in Winter festival and Kitchen Garden programs.

We are a Lead School for Resilience, Rights and Respectful Relationships and a School Wide Positive Behaviour Support school. Resilience, Rights and Respectful Relationships (RRRR) is a whole school Social and Emotional Learning program that guides the explicit teaching of strategies that promote self-awareness and self-management, and social awareness and social management. School Wide Positive Behaviour Support (SWPBS) is a framework that brings together school communities to develop a positive, safe and supportive learning culture with a focus on explicit teaching of positive behaviour, and supportive, consistent and effective responses to inappropriate behaviour. Through these programs, we educate and empower students in their social and emotional development, and embed the values of kindness, creativity and connectedness across our schools.

Daylesford and Yandoit Primary Schools are committed to developing our Reconciliation Action Plan (RAP). We seek to provide inspiration and leadership to our communities through our reconciliation activities.
