PRINCIPAL'S REPORT

Debating Finals

A huge congratulations to our team who argued persuasively in the grand final last week. Coming away with second place is a huge accomplishment and you should all be very proud of yourselves

A special congratulations goes to Phoebe for gaining runner up best speaker in the whole competition, amazing!

Book Week

This year our student leaders-school captains, house captains and JSC-were asked to plan and run book week activities. This week kids have enjoyed a morning tea and shared story time, sentence scavenger hunt and dress up day. Tomorrow we will finish the week off with crazy hair day and watching the 5/6s put on plays after lunch. Thanks student leaders, you've done a wonderful job!

Helmets

A reminder to students (and families) that if you ride a bike or scooter to and from school, you must wear a helmet. Along with being lawful, wearing a helmet is an easy, relatively inexpensive way to prevent potential serious injuries. Families, please be aware, we may ask you to come and collect your child/ren's scooter or bike if they don't have a helmet because we cannot let them ride/scoot home without one.

Container Deposit Scheme

Victoria's Container Deposit Scheme (**CDS Vic**) is a State Government initiative that provides Victorians with a 10 cent refund for every eligible drink container returned to a refund point.

The initiative started on 1 November 2023 and will expand over the following 12 months.

Visit the Victorian Government's [Container Deposit Scheme location map](#) to find your nearest refund point.

Have you got cans and beverage bottles you're throwing in the recycling bin?

Put them to better use! You can now donate to the school by taking them to the East street container deposit facility, the school is now listed in the CDSWest app.

If it has the "10c deposit" label on it, it can be returned via the scheme.

Early Opening of 32 km of Djuwang Baring (Creswick Trails)

Earlier this month, Council opened 32 km of Djuwang Baring (Creswick Trails)'s 60km total – five months early. Please find a trail map attached to this email and visit www.djuwangbaring.com to plan your trip and learn more about the network. The full network will open later this year!

If you go for a ride and post photos, please tag us at #djuwangbaring.

Planning your trip. It is important to plan your trip before you set out. Take note of weather conditions and make sure you have the right gear, your bike is well maintained, suited to the type of riding you're planning and you choose trails that are appropriate for your skill level.

Before you hit the trails, please download the free app 'Emergency Plus'. It is available for iPhone and Android and will give precise location information for Emergency Services should something not go to plan.

Share the space. When you're out on the trails or using the trailhead, please be considerate of other trail users including pedestrians, learner riders and local residents. Only park where it is legal and safe to do so with formal parking available at Hammon Park and at the back of the Creswick Visitor Centre (5 minute ride from the trailhead). Please don't park along bush roads or in the bush – it damages it!

Construction continues on the remainder of the network which is on track for opening at the end of the year. Construction updates are available at <https://participate.hepburn.vic.gov.au/creswick-trails-project-hammon-park-trailhead>.

In the interim, please limit your ride to the trails that are open and have fun!

Happy Trails!
