

PARENT PAYMENTS POLICY PARENT PAYMENT ARRANGEMENTS 2025

1st November 2024

Dear parent/guardian,

Daylesford & Yandoit Primary School is looking forward to another great year of teaching and learning and would like to advise you of Daylesford & Yandoit Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to implement and coordinate the best possible programs that enhance and enrich our traditional teaching and learning culture. These financial contributions assist us with the purchasing of vital learning tools in art, science, Lote, ICT, music and physical education equipment and resources that compliment the core business of teaching & learning in literacy & numeracy.

The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. At Daylesford & Yandoit Primary School, we design and develop learning and teaching programs drawing on the best educational knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum and what is provided for by government funding.

Please find attached Daylesford & Yandoit Primary School's contributions schedule for 2025, which includes an overview of what your contributions will help us to provide. All necessary consumable items will be supplied directly for students to use in classrooms.

For further information on the Department's Parent Payments Policy please see a one-page overview on our website.

Yours sincerely,

Alexandra McCann
Principal

Natalie Fagan
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
