PRINCIPAL'S REPORT

Athletics Day

Huge thanks to Ash and Sherilee who put on an amazing athletics day for our grades 3-6 students last Friday. The weather was kind and the day remained dry despite threatening looking clouds. There was a great vibe to the day with students doing an amazing job participating in events with enthusiasm. Students were timed/recorded according to gender for each event. Kids who made it through to the Goldfield's athletics will have a note come home late this week or early next week.

3-4 Camp

Our grade 3/4 students made their way to Anglesea yesterday morning. So far, the kids are having a great time! We can't wait to hear more about their adventures on their return tomorrow afternoon. A big thank you to the grade three four teachers and ES who have given up time over two nights to provide our students with this amazing experience.

School Photos

School photos are scheduled for Wednesday 5th June. Student leaders including school captains, house captains, junior school councillors, planet captains and bus captains will have their photos taken at 9am sharp. If your child is a student leader, please ensure they are at school by 9am sharp or even a bit early on this day!

2025 Enrolments

2025 prep enrolments are now open and are coming in quickly. Please get enrolment forms in ASAP if you haven't done so already. This assists with numbers, planning and transitions.

Resilience, rights and respectful relationships

As part of the Emotional Literacy topic, students develop their vocabulary to identify and describe their emotions. They identify types of events that are associated with positive/negative or comfortable/uncomfortable emotions.

Role play and emotion cards are often used when exploring this topic. You can also use this vocabulary at home.

5/6 CLASSES EXPLORING SUSTAINABLE ENERGY.

Students create model houses, shops, buildings and even sporting grounds and powered their lights with renewable sources.

Thank you Science play kids.
