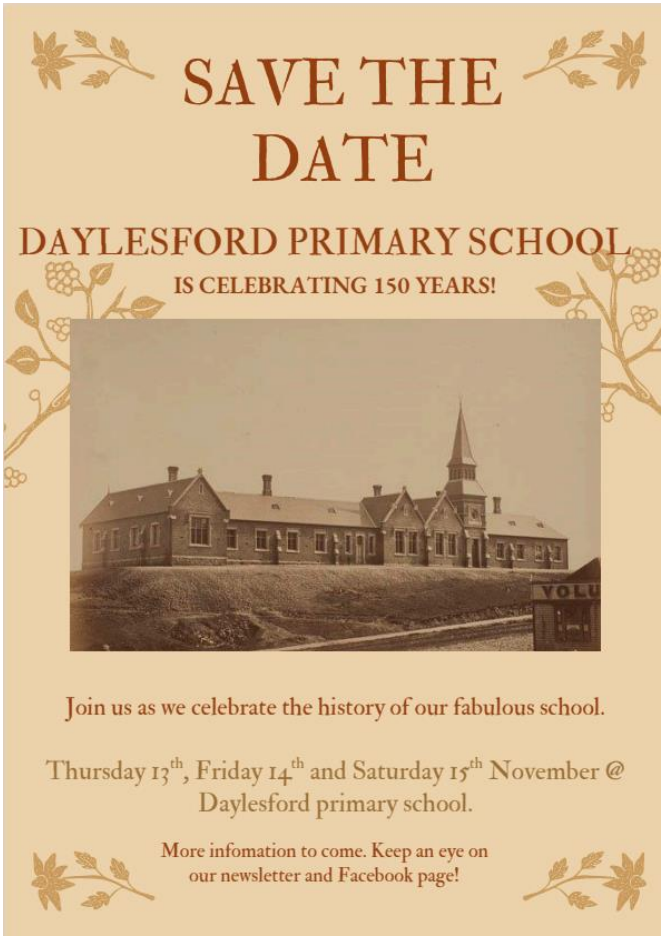
Sometimes talking about what has been happening in your life can bring up concerns, where you may need to seek extra support.



Mini FETE Friday 10th October

There will be stalls, games and food for the whole school to participate in. The maximum cost for activities or items for sale is $2. It starts at 2.30pm and goes til 3.15pm. Parents are welcome to attend. Funds raised will go towards grade 6 graduation and end of year activities. The 5/6 students are super excited to share tomorrow with you all!

PRINCIPAL'S REPORT

Welcome Back
Welcome back to term four, we have a wonderful term ahead full of fun, learning and some special activities. We hope everyone had a wonderful and relaxing break. Just a reminder that term four is 'hat term' meaning students need to wear hats when they're outside for the term.

150th Anniversary
On November 13th, 14th and 15th our school will be celebrating its 150th anniversary. There will be special events, memorabilia for sale and lots of school history to enjoy. Thank you so much to the committee for their hard work in preparing for this event. More details will be posted to Facebook and available via the newsletter in coming weeks.

Fete
On Friday we will be holding our annual mini-fete. This event, run by our grade five/six students, aims to raise money for the grade six graduation and end of year celebrations. All stalls have been designed and will be run by the students and include a variety of fun activities, food, drink and games. The maximum cost for any game, activity or food/drink item is $2.

Ali McHalliwell — Principal
Trudi Blick — Assistant Principal

Hats are to be worn at all times in the playground during Terms 1 & 4 and on high UV days
Hats can be purchased from the office for $12

Please ensure sunscreen is applied each morning before school!

Book club is an important fundraiser for our school.
Every time a family purchases books through Book Club the school receives books for our school library. Over the years Book Club has been operating, hundreds of books have been received and our school library would not be the wonderful resource it is for our children's learning. Catalogues will be distributed to students at the beginning of each term.

Forms have been distributed to students. Alternatively, you can view the catalogue via the link below:
https://www.scholastic.com.au/media/5791/bc121.pdf

The final date for return is
Friday 31st October 2025.

Items can be ordered online via "the Loop" or through the school office. Please ensure form has child's name, and correct money for items ordered enclosed, if returning to the school

CONVEYANCE ALLOWANCE

Are you eligible?

For students to be eligible for a conveyance allowance they must:

- Be aged over five by 30th April 2024.
- Live more than 4.8km by the **shortest practicable** route from the nearest bus stop, and be enrolled at the nearest government school

For your Information – Excursion Permission

Permission to attend excursions must be received by returning a signed form, a handwritten permission note or electronic permission as per DEET policy.

Late Arrival and Early Departure

Students being dropped off late to school must be signed in at the XUNO kiosk at the office under parent supervision and a yellow "LATE PASS" is to be taken to hand to the teacher.

In the case of early departure from school a reminder for parent to sign out at the XUNO Kiosk at the office and take a blue Early Leavers Pass with you to collect your child

DAYLESFORD PRIMARY SCHOOL 150TH 1875-2025

What a perfect time to reflect on our past and delight in a history of shaping lives

The Bell Tower

Have you ever looked up and wondered what's inside?

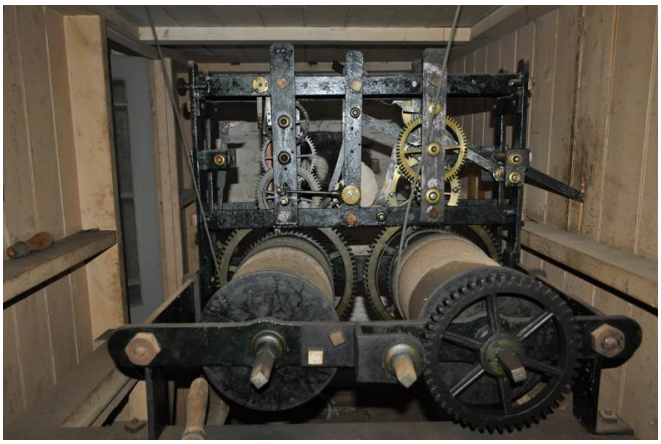
There are two bells in the tower. One is for the clock, and the other is for the ringing of the tower.

The clock was said to be the very best of its kind, costing 70 pounds. W.E Stanbridge kindly gifted the clock to the school covering all costs, including the cartage, fitting and fixing.

In 1882 the clock was reported as not working. On August 6th 1884 the Town Clerk wrote to the Minister of Education- "This Council considers that it is a reflection upon the Department that a valuable clock, the gift of a citizen, should be allowed to stand idle and fall into disrepair."

August 12th, 1884, the head teacher wrote that Messrs. Hamilton Bros, Watchmakers of Daylesford, were willing to repair the clock for 2 pounds, and wind it and keep it going for 5 pounds per annum.

The Department accepted the offer.



STUDENT / COMMUNITY ACTIVITIES

Dear families,
School/Centre name **reminds our wider community that grass pollen season brings an increased risk of asthma and hay fever.**
Thunderstorm asthma is thought to be triggered by a unique combination of high amounts of grass pollen in the air and a certain type of thunderstorm (typically between October and end December). It can result in people wheezing, feeling short of breath, and tight in the chest with coughing. This can be sudden, serious, and even life threatening.
Anyone can be affected, even if they don't have a history of asthma.
If your child has current, past or undiagnosed asthma or seasonal hay fever they are at risk of thunderstorm asthma. Don't ignore symptoms like wheezing or shortness of breath.
School/Centre name **encourages families to communicate any updated asthma action plans with staff. Our staff will monitor the Vic Emergency app to receive thunderstorm warnings, and, where appropriate, keep students indoors when weather forecasts identify a greater level of risk.**
Protect your family this pollen season
For people with asthma or hay fever, especially those who wheeze and sneeze during spring, thunderstorm asthma can be sudden, serious and even life threatening.
There are things you can do to prepare and protect yourself and those in your care:

- **It's important for everyone in the community to know the four steps of asthma first aid so**
- **they know what to do if they or someone is having an asthma attack.**
- **Avoid being outside during thunderstorms from October through December – especially**
- **in the wind gusts that come before the storm. Go inside and close your doors and windows.**
- **Turn off any air conditioner that brings outside air in (e.g. evaporative air conditioners).**
- **If your child has ever had asthma – talk to your doctor about what you can do to help**
- **protect them from the risk of thunderstorm asthma this pollen season, including updating**
- **their asthma action plan. Remember, taking an asthma preventer as prescribed is key to**
- **preventing asthma, including thunderstorm asthma.**
- **If your child has ever had hay fever – see your GP to make sure they don't also have**
- **asthma and discuss how to stay safe during grass pollen season.**
- **Asthma reliever medication is available over the counter at pharmacies. Ideally, this should**
- **be used with a spacer, for both children and adults. If your child is needing to use their**
- **reliever medication more than usual, this may mean that their asthma management plan**
- **needs updating – see your GP and make sure that you communicate updated asthma**
- **action plans with your child's school.**
- **Monitor the epidemic thunderstorm asthma risk forecast on the Vic Emergency**
- **thunderstorm asthma forecast webpage or download the VicEmergency app (App Store or**
- **Google Play) – you can set up a 'watch zone' for your location to receive advice and**
- **warnings about potential epidemic thunderstorm asthma events during the grass pollen**
- **season.**

Protect yourself and those in your care this pollen season – preventing and managing asthma matters. There are a range of videos for caregivers on the Asthma Australia website https://asthma.org.au/resources/videos

Get Active Kids Program.

Round 9 of the Get Active Kids Voucher Program opens at 10am on 15 October 2025 for voucher and reimbursement applications. The program helps Victorian families access funding to support their children's participation in organised sport and recreation — including things like sports club memberships, uniforms, and equipment.

You can find full details and apply online at:
https://www.getactive.vic.gov.au/vouchers

APPLY FOR VOUCHERS

Vouchers and reimbursements are available for eligible families and activities. **Applications are closed – Round 9 of the Program will open at 10am on 15 October.**

Eligibility

To be eligible, your child/dependant must be aged 0 to 18 years old, live in Victoria, and one of the below:

- Named on a Health Care Card and Medicare Card.
- Named on a Pensioner Concession Card and Medicare Card.
- Hold either a temporary, provisional or student visa, or be an undocumented migrant.
- Reside in Victorian Care Services.

Cafs Early Help Group Programs

Infant Child First Aid

Presented in partnership with PAEDS

This FREE Program is for parents/carers of babies and children. Babies under 12 months are welcome! The group explores First Aid techniques delivered by professionals. PAEDS vision is to empower all individuals with the knowledge to confidently manage illness and accidents! Issues we will explore include burns, head injury, rash, choking, breaks, CPR and more.

Group Information

Federation University | Speech Pathology Clinic (FSPC)

Nurturing communication and empowering young people

Federation Speech Pathology Clinic (FSPC) provides speech pathology services to the wider community, including children and adolescents.

Services for children and adolescents (3-16 years)

- Early intervention and paediatric support
- Clinical diagnostic and therapy services at clinic
- Multidisciplinary and community-based services
- Paediatric screenings at pre-schools and primary schools

The FSPC is managed and run by qualified Speech Pathologists (Supervisors) and Federation University Speech Pathology students, as part of their Bachelor of Speech Pathology (Honours) and Master of Speech Pathology courses at Fed Uni.

Please note that FSPC is not an NDIS provider, and services are not eligible for Medicare or private health insurance rebates.

ORIENTEERING VICTORIA

THE VICTORIAN PRIMARY SCHOOLS ORIENTEERING CHAMPIONSHIPS (VPSOC) East 2025

Friday 21 November 10:30 am
Cardinia Reservoir Park, VIC

Orienteering is an outdoor adventure sport which exercises mind and body. It appeals to everyone, as satisfaction comes with every checkpoint (control) found! All year 3-6 students are invited to participate in VPSOC East 2025, whether they are experienced orienteers, top cross-country runners who want to challenge themselves with navigation, or bush walkers. Students may compete at both VPSOC West 2025 (on September 8 at Hanging Rock), and at VPSOC East 2025.

START TIMES: Students will start at 1 - 2 minute intervals. First start at 10:30am.

FINISH TIME: Courses will close at 12:45 pm-1:00 pm, at this time, all students still in the field will be directed to the finish.

PRESENTATIONS: The award presentation will be held at approximately 1:30 pm and aim to be completed by 2 pm.

FINAL EVENT BULLETIN: Further information including car and coach parking information, individual start times (if needed) and course notes will be sent out at the start of November 2025.

ENTRY CATEGORIES: There will be a separate entry category for girls and boys in each year level for individual entries. Pairs/mixed entries will be grouped as 3/4 and 5/6. **All courses are beginner's courses, individual entries are strongly encouraged** (orienteering is an individual sport). Prizes and certificates will be awarded to top three finishers in all categories.

ENTRIES: To register for the event, please complete the separate entry form (xlsx file) attached. Once your entry list is received, each school will be contacted individually to complete the entry process.

Entries close on November 12.

To complete the entry form (xlxs spreadsheet) there are different instructions depending on whether students compete as individuals or as pairs. In both cases, first two columns need to be filled, see below.

For individual entries, enter individual students' names in each row and select the entry category from the dropdown list. For each student, type the student's first name in the first column, and their surname in the second column. Please do not copy-and-drag to fill multiple cells.
For pairs/mixed entries, enter the first student's full name (first name and surname) in the first column. Enter the second student's full name in the second column.

Once your entry has been confirmed, an invoice will be provided for payment of entry fees. The entry fee is $15 per individual (Inc GST). **Please process payment promptly once invoiced. All changes to entries (e.g. change of course) must be provided BEFORE the event. Ensure you choose suitable courses for each student when submitting entries. No changes from solo to pairs.**

CHAMPION SCHOOL SCORING:
- The top 10 finishers in each individual category will gain points for their school (first place 10 points, 2nd place 9 points etc, etc).
- The top 5 places in the pairs/mixed category will gain points for their school (first place 5 points, 2nd place 4 points etc).
- The Champion School will be the school with the highest total score.

FREQUENTLY ASKED QUESTIONS

'What happens on the day?'
After arriving and organising your group in a comfortable part of the event arena, small groups of students will be able to visit a coach to receive basic instruction. When ready to start, students will line up in their course lane and progress through several stages until they reach the start line. After a 1 minute interval, students are handed a pre-marked map and begin their course. To complete their course, they navigate to all the control points in sequential order. As each control point is found, they record each control on an SI Card until they reach the finish. The winning time for each course is expected to be 25 min. Most competitors will take around 45 min to complete the course. Results for each student are calculated and then displayed in the arena.

Before heading into the start process, all students will have the opportunity to receive a short coaching and familiarisation session provided by an OV coach. We strongly encourage all students to participate. During this session, students will have an opportunity to practise 'punching' the SI Card on the 'control station' (small red box) which they will need to do when they visit each control on their course. Aspects of the map will be explained, and basic navigation steps will be described.

'My teaching schedule is tight - will I be required to do much preparation for the day'?
All orienteering requirements will be prepared by OV. This includes allocation of start-times (if needed), preparation of competition maps, control descriptions and results. Your responsibility is to enter your students and then get them safely to and from the event. Preparation with the map and basic orienteering procedures will assist your students in approaching the day confidently.

'What are the basic map reading skills required'?
Students should know how to orientate their map to the north. The purple triangle indicates the START, and the purple double circle the FINISH. The controls are found in the centre of the circle drawn on their map. Controls must be visited in sequential numbered order. A visit is recorded when the small red box beeps.

'Can I take photos of the students?'
As per your own school policy, you may take photos of your own students on the day. Orienteering Victoria may only take photos of students whose guardians have given prior permission. OV will publish the names of individual place-getters with their school names on the Orienteering Australia website. If you wish to have a student's name withheld, please ensure you inform OV via the comment box provided on the entry form.

HEPBURN
Swiss Italian Festa

SCHOOL INFO PACK | CULTURE, HERITAGE & COMMUNITY | 24–26 OCTOBER 2025

ABOUT THE FESTA

The Swiss Italian Festa is a joyful celebration of Hepburn Shire's unique cultural history, honouring the Swiss and Italian settlers who made this region home in the 1850s. The festival has been running since 1992 and is proudly community-led—with schools, families, artists, and local businesses all playing a vital role.

After a successful return in 2023 and a vibrant 2024 program, we're back in 2025 with a fresh format and a strong focus on engaging children and young people in fun, creative and educational ways.

"Celebrating Our Unique Heritage".

WHAT'S NEW IN 2025

THIS YEAR, THE FESTA HAS BEEN CONDENSED AND REFOCUSED TO ENSURE MAXIMUM ENERGY, ATTENDANCE AND ENGAGEMENT

PRESIDENT
BALLAN BRUMBIES BASKETBALL CLUB
BALLANBRUMBIES.COM.AU

PROUDLY SUPPORTED BY Bendigo Bank · Community Bank Ballan & District · CROSSROADS TRADING

Our club brings the joy of basketball to the communities around our little town, offering a fun and supportive place for kids to play the game we all love and has personally given me so much. We have a rich 9 year tradition of providing successful programs from Aussie Hoops (6-7 years olds), through to U19 Boys and Girls and Mens and Womens senior programs and the programs have produced numerous championships aswell as Ballarat Representative players and State Development players. Because we're a small region, our program is nice and close-knit, meaning plenty of opportunities for players to get on the court, improve their skills, and enjoy great support along the way.

We're currently on the lookout for more players to join us for the upcoming **Summer season starting in October**. While this flyer is especially aimed at girls aged 7–13, we'd love to welcome *anyone* keen to give basketball a go, show their skills and become a Brumby!

We can't wait to see some new faces on the court this season and any questions please let me know.

Regards,
James Tamanika
